Max McClaren Is Appointed To Texas Democratic Advisory Board

Max McClaren has been appointed a member of the Texas Democratic Advisory Board. This appointment was announced recently from National Headquarters of the Democratic Party. He will serve as a member of the committee from the 13th Senatorial District.

McClaren who is chairman of the Milam County Democratic Committee is serving his second elective term as chairman, and at present is attending Baylor University.

He was appointed as chairman in 1951 by the committee to fill the chairmanship post of the late J.B. White, who had served in that capactiy for 16 years.

Judge Jim Sewell of Corsicana is chairman of the Texas Advisory Board. The board has many important functions, mainly, to perform certain duties necessary for the party's state program, promoting democratic principles and seeing that legalized methods of voting are exercised at the polls.

Six Names Are Filed For Alderman Race

The city aldermans race is getting hot and heavy, with six men filing for the three offices available.

Latest to file for the position is A. N. Green, former mayor of Cameron.

Others filing thus far are encumbent Gene Blake, encumbent Robert Weems, and Alfred Ondrej, Clifford Thompson, and Grady Stidham.

Lincoln Mondrik Files For School Trustee

Newest applicant for school trustee is Lincoln Mondrik, a life-long resident of Cameron and a graduate of Yoe High School.

"I've always had a strong interest in the youth and schools of this community," candidate Mondrik stated, "and I want to offer my services to the community and the people of this school district."

"Linke", as Mr. Mondrik is known by his many friends, is the son of Joseph Mondrik. The Mondrik name has been known and respected in Cameron and Milam County for the past 75 years.

He and "Angie", his wife, have been married for 22 years and have three children, one son who just graduated from Yoe High School last year and another son and a daughter still in high school.

He has been in business in Cameron for the past 15 years, serving four years in the U. S. Navy. He is the member of various lodges and of St. Monica's Parish.

Buckholts Set Program Mar. 11 For School Week

An all school program to conclude Texas Public School Week will be held at the Buckhlts high school gymnasium Friday March 11, at 7:30 p. m. Rev. John Pietch, pastor of Hope Luthern church will offer the invocation. Miss Inell Tomasek will serve as mistress of ceremonies for a Texas theme program in which each student will have a part.

Mr. Hinton Pruett, county superwill be the guest speaker.

An all school program to con- The Parent - Teacher association will be in charge of refreshments, supervised by Mrs. W. W. Chevalier.

There will be no charge, and the public is invited to attend.

Chickenpox, Mumps, Measles Prevalent

Although strept throat topped the lists of diseases in Milam County for the week ending Saturday, March 5, according to the report by the County Health Unit, contagious children's diseases were more prevalent.

There were 10 cases of chickenpox, four cases of mumps two of measles reported.

Influenza was responsible for 12 illnesses, pneumonia, one and gonorrhea three.

Mrs. J. W. Kemp has returned to her home after several weeks visit with her sister in Wichata Falls.

Mrs. Frank Karnowski is spending several days in San Antonio at the home of her daughter and son-in-law, Mr. and Mrs. Leo Zvonek.

J. Asher GivenCitizenship AwardAt C of C Banqet

Approximately 200 were present at the annual Cameron Chamber of Commerce banquet Tuesday night at Simon-George Memorial Hall to watch Jimmie Asher, educational director of the First Baptist church, receive the 1954 McCullin Citizenship award.

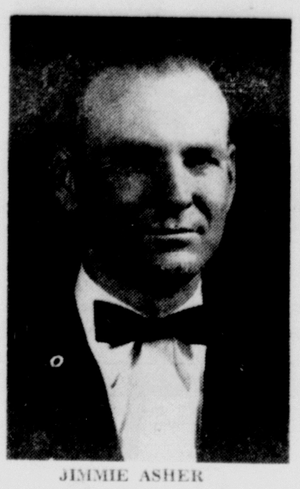
The 1953 winner, Mrs. Mark C. Magers presented the cup to Mr. Asher, following a short talk. Before reveiling the name of the 1954 winner, Mrs. Magers told the crowd that this person was a "friendly person" and one who deserved this award.

The evening was opened with Rev. George J. Duda, pastor of St. Monica's Catholic Church, giving the invocation. Following a delicious menu of chicken fried steak, baked potato, cream gravy, buttered peas, tossed salad, hot rolls and coffee, Lester Williams acted as toastmaster and introduced the guests who came from Austin, Rockdale, Hearne, emple, Killeen, Giddings and Waco.

Fred Pool, assistant general manager of East Texas Chamber of Commerce, was guest speaker and mixed his serious moods with jokes throughout the evening. He encouraged the people of Cameron to go out themselves and help industry come to this city. He stated that nobody can do anything for your town, "You have to do it for yourself".

He told those present that they shouldn't worry about what the next town has but to go out and get something all their own.

Louis McKee, out-going pres.



JIMMIE ASHER

addressed the group and introduced the out-going directors and officers. He then presented the new president elect, Bill Burns who made a brief acceptance speech. Burns stated that he knew it was a big job and he was willing to do his best. He said that while he was in office he would do his best to seek a new industry for Cameron. "It's time to stop wishing and to start working for industry here" Burns said.

New officers besides Burns are Drayton McLane, first vice-president and Dana Kestenbaum, second vice-president. Mrs. Barbara Smitherman was re-named the secretary-manager.

Out going officers are President McKee, first vice-president, Leo Fuchs and second vice-president, Henry Siebman.

Retiring directors are: Morris Eplen, Milton F. Brown, Jr., Emory Camp, Rollan Carr, Dr. Gus Evans Jr., A. W. McCullin, Bill McIntosh, and Henry Siebman.

One year term directors are: Gene Blake, Charles Brady, Jack DuBois, Leo Fuchs, W. T. Hanes, Louis McKee, Milton Schiller, Hilliard Thomas; Two year term directors are Dr. George Bowman, N. L. Caperton, Albert Collins, Charles Burke, Max Howard, Jack Prescott, Lester Williams, Drayton McLane; and three year term directors are Bill Burns, E. C. Cole, C. A. Jackett, Dana Kestenbaum, Calvin Markham, E. A. Perrin, Jimmy Wiggs and Richard Williams.

Honorary members of the board of directors are Jack Slaughter, president of the Junior Chamber of Commerce, John A. Smith, president of the Milam County Farm Bureau and John Batte, chairman of the Livestock Committee.

10 Year Study Shows No Medical Differences In Cameron-Bartlett

Results of a 10 year study of 237 persons at Cameron and Bartlett has given further evidence of the safety of using florides in city water supplice, according to an article appearing this week in the Journal of the American Dental Association, published in Chicago.

The U. S. Public Health Service sponsored the survey in the two cities because Bartlett water contains eight times as much fluorides as is recommended for fluoridation and the Cameron water contains very little of the fluorides. The Bartlett fluorides, all natural, make the Bartlett supply one of the highest fluoride levels in the nation

No adverse effects of any kind were found upon internal organs or bone structure from prolonged use of excessive fluorides, the study showed, according to the dental publication and Dr. John Bryson, director of the Milam Health Unit.

Dr. Bryson stated that the study was made in this way. In 1943 the 237 persons were selected, ranging in age from 15 to 63. The people all being residents of their respective communities for at least 15 years.

The only significant difference doctors have agreed, was the in ciden of diseases of the heart and blood vessels. Those diseases were higher in the fluoride-deficient town of Cameron.

Principal fluoride found in water and sometimes put in water supplies is sodium fluoride, Dr. Bryson explained.

"It only costs about 10 cents per person per year," Bryson stated.

Of the total persons tested 116 were selected from Bartlett and 121 in Cameron, just 25 miles apart.

The investigators found that the medical characteristics of the two groups do not differ more than would be expected of two comparable towns with or without an excess of fluoride in the water supply

Detailed plans now are being worked out for the possible administration of polio vaccine to 1202 Milam County children who will be eligible to receive it if it is licensed, Dr. John B. Bryson, Milam County Health Officer, declared today.

As was announced by state health officials, all first and second grade pupils in public and parochial schools in the state and all children who were part of the test groups in the 1954 vaccine field trial but did not receive vaccine at that time, are included in the plann

Earl Curtis Files For School Board

Another name has been filed for the position of trustee in the April school board election. Latest to file is Earl Curtis, owner of the New Cameron Drug in downtown Cameron.

There are still several days remaining to register for the board, since final date for filing is 10 days prior to the election on April 5, Mar 22.

Final date for filing petitions for candidates is three days prior to the election.

Those filed thus far are Dr. George Bowman, Dr. David Shapiro, Lincoln Mondrik, Bill Tom Fisher and Curtis.

Milano To End PSW With Friday Night Program

Open house will be observed Friday night, March 11 at the Milano Public Schools in observance of Public School Week, March 7 - 11, it was announced.

The public has been invited to attend the open house in the high school beginning at 6 p. m. until 8 p. m. At 8 o'clock a free movie entitled, "America, The Beautiful" will be showned.

Burlington School Completed; Opens

It was announced this week that the new public school building at Burlington has been completed and classes will resume in the new building.

Mrs. Ray Schonhoeft will be in charge of the cafeteria.

Mr. and Mrs. J. F Hodges are the instructors for the school children and have moved into their apartment in the schoolbuilding.

Awards and Cash Prizes Presented To Cotton Production Winners

Awards and cash prizes were presented to the winners of Cotton Production Contest in the Chamber of Commerce office on Friday, March 4, by Mr. Louis McKee, president.

Gene Angell, Route 1, Buckholts, Texas received first prize, $100.00. Angell's record reads as follows: Total Acres entered, 5; Pounds of lint ginner, 2380; Pounds of remants in addition to above, 678.

Ben Pittmon, Route 4, Cameron, Texas received second prize, $50. and his record reads as follows: Total acres entered, 5; pounds of lint ginner, 1950; pounds of remnants in addition to above, none.

Joe Janek, Jr. Route 2, Cameron Texas, honorable mention, with the following record: total acres entered, 5; pounds of lint ginner, 1415; pounds of remants in addition to above, 160.

Louis G. Gifford, Route 1, Rockdale, Texas, honorable mention with the following record, total acres entered, 5; pounds of lint ginner, 1096; pounds of remants in addition to above, 1100.

Winners of cash prizes are not eligible for prize money for two years after winning a cash prize, but can enter for exhibition purposes only. Mr. Rolan Carr, chairman of the Crops and Conservation Committee, stated that each entrant in this contest is to be congratulated and that the judges received fine cooperation from each and everyone who entered.

18-A Baseball Schedule Is Released

Coach V. A. Adams has been running his prospective baseball squad through light drills this week.

Although no actual hitting practice has begun, the boys have been going through pitching and catching drills, while waiting for the baseball field to get in condition.

It was announced that a non-district schedule is being worked on now with about five to six games planned. The district schedule has been completed with the Yoemen participating in District 18-A.

This year there will be six teams included in 18-A with the Killeen Kangaroos replacing the regular conference foes, Rockdale Tigers, who isn't fielding a team this year.

The six teams will particpate in a single round robin.

A complete district schedule is as follows:

April 19—Cameron at Belton; Killeen at Rosebud and Georgetown at Taylor.

April 22—Taylor at Belton; Cameron at Rosebud and Killeen at Georgetown.

April 26—Belton at Rosebud; Killeen at Taylor and Georgetown at Cameron.

April 29—Belton at Killeen; Rosebud at Georgetown and Taylor at Cameron.

May 3—Belton at Georgetown; Killeen at Cameron and Rosebud at Taylor.

Detailed plans now are being worked out for the possible administration of polio vaccine to 1202 Milam County children who will be eligible to receive it if it is licensed, Dr. John B. Bryson, Milam County Health Officer, declared today.

As was announced by state health officials, all first and second grade pupils in public and parochial schools in the state and all children who were part of the test groups in the 1954 vaccine field trial but did not receive vaccine at that time, are included in the plann ed program, he explained. It also will be available to others through physicians at the same time.

But parents were warned by Dr. Bryson not to jump to the conclusion that the current planning indicated the vaccine already had been proved effective.

"The vaccine which will be furnished by the National Foundation for Infantile Paralysis is the same vaccine that was given to 440,000 children last spring," he said. "We do not know yet whether it really prevents paralytic polio. Until April, when we will learn the results of the evaluation study now being conducted at the University of Michigan, we cannot know if the vaccine is effective.

"But we cannot wait until then for planning for the protection of as many of our children as possible. Vaccinating large numbers of children is a big and important job, entailing many procedural tasks that can't be performed over night.

"If the license is granted in April, we must be ready to start vaccinating at once, so that, if possible, we can finish before our schools close and the polio season starts. We want to give the vaccine early so that many children can be protected before polio ap-

Rockdale Wins Four-Way Meet; Cameron Comes In Second Place

Four schools were represented at the Yoe High school track meet Wednesday afternoon, Coach Leo Jackson reported. At the last minute the Holland school entered competition, making the four entering schools, Rockdale, which walked away with 53 points, Cameron, who at the last tally had 43 points, Rosebud, who wound up with 30 points, with Holland getting a total of 22 points.

There were 14 events on the afternoons agenda.

First was the 120 High Hurdles with R. Limmerman of Rosebud placing first in 17.1; D. Reid, Holland, second; Joseph Michalka of Cameron third, in 18.5 and Balbers of Rosebud fourth.

In the 100 yard dash — Albert Mondrik first in 10.3 of Cameron; R. McRae of Rockdale second; E. Grubbs of Rockdale third and B. Starke of Holland, fourth.

The 440 yard dash — E. Grubbs of Rockdale first in 54.4; B. Starke of Holland second; Jimmy Rettig of Cameron third in 57.3 and S. Weid of Rosebud fourth.

The 180 Low Hurdles: R. McRae of Rockdale first with 21.3; Thompson of Cameron second in 22.2; C. Angell of Cameron third in 22.6 and E. Hubnik of Cameron fourth in 22.8.

The 440 Relay — Rockdales team came in first in 47.4 with Cameron team on its heels in 47.8; Holland was third and Rosebud fourth. Those on Camerons team were A. Mondrik, J. Duncan, C. Angell and B. Thompson.

In the 880 yard dals Limmerman of Rosebud came in first with Ramtrum of Holland second; Harris of Rockdale third and B. Malone of Cameron and D. Limmerman of Rosebud tieing for fourth.

In the 220 yard dash — McRae of Rockdale first in 23.; with Mondrik second in 23.2 and Starke of Holland third.

In the mile run Wunsh of Rosebud was first in 5.06; Veracruz of Rosebud was second and A. Baggerly of Cameron, third.

Cameron placed high in the Broadjump with B. Williams and A. Mondrik tieing for first with 19 feet, two inch jumps; Grubbs of Rockdale was third and Doss of Rockdale was fourth.

Rosebud won the Mile Relay with Cameron trailing them about a yard for second place, Holland came in third. On the Cameron team C. Angell, J. Duncan, D. Ernst and J. Rettig.

Carraway of Rockdale won the Highjump with five foot, six inches-Joseph Michalka was second with five foot, four inches.

Michalka of Cameron was high with a nine foot vault. H. Brown of Cameron, Yount of Rockdale and Chapp of Rosebud tied for second, third and fourth with eight foot, six inch jumps.

In the Duscus Throw McRae of Rockdale was high with 130 foot; Svadlenak of Holland was second; Stark of Holland was third and Barlow of Rosebud was fourth.

Shot Put winner was Tice of Rockdale with 42 foot, five inces; Cook of Holland was second; McRae of Rockdale was third and Stark of Holland was fourth.

Jr. High Events

The Junior high school of Cameron did themselves and their school proud by walking off with almost all the points, more than the other three schools combined points. Cameron had 23 points, Holland was second with seven points, Rockdale third with six points and Rosebud fourth with five points.

H. Marek of Cameron was the hero of the day, placing first in three events.

The first event for the Yoebees was the 50 yard dash with H. Marek placing first in 5.7; T. Walker of Rockdale second; W. Latham of Holland third and B. Thomas of Cameron, fourth.

In the 75 yard dash Marek came in first again for Cameron in 8.3; with Latham of Holland second; W. Rinn of Cameron, third and R. Green of Cameron, fourth.

Marek, of Cameron, also won the 100 yard dash for Cameron in 10.9; R. Crump of Rockdale came in second; Latham of Holland third and W. Rinn of Cameron, fourth.

In the 440 Relay, the Rockdale team was first in 50.9; Cameron second and Rosebud, third. Those on the Cameron team were W. Rinn, Burns Thomas, Ray Green and G. Dillon.

Clifford Thompson Starts Surveying Office Here

Clifford Thompson has opened a land surveying office in Lippman Building in Cameron above Archers Electric Shop from which he

can be engaged to survey for the public.

Thompson, a Licensed State Land Surveyor and former County Surveyor of Milam County, returned to Cameron a few months ago after seventeen years of moving around over the country and applying his experience and knowledge as an engineer.

For two years prior to returning to Cameron he was City Manager for the City of Caldwell where he was very successful in rehabilitating the water and electric utilities owned by the city.

The Thompsons are making their home on North Harding Street in Cameron and have four children.

The demand for a qualified surveyor with adequate equipment and personal in this area was the motive for providing this type of service. Thompson has a license issued by the Texas State Board of Examiners for Land Surveyors on June 15, 1936, at which time he successfully passed an examination to determine his ability to survey land.

He is ably assisted in this work by Barney Ransberger formerly of Coleman, Texas, who has six years of experience in surveying and oil field work.

Blackland Area Angus Sale March 12

The Blackland Area Aberdeen Angus Breeders Sale of Registered cattle will be held Saturday, March 12, 1955. The sale will begin at one o'clock at the Lawhorn Auction Pavilion in Temple, according to Vernon Schmidt of McGregor, Sales Chairman. An added feature of this years sale will be top club calves available for 4-H and F F A boys and girls for project work.

Many Vocational Agricultural Teachers and County Agents have expressed a desire to have club calves assembled at a central location from which club boys and girls can make comparative selection and purchases. The Aberdeen Angus breeders of Texas are making this dream come true by selling 40 head of top club steers, many from Registered parents, including both nurse calves and dry lot calves, 50 head of registered females, and 5 registered bulls.

This will be a competitive sale, with everyone eligible to purchase any animal. Members of the association believe a sale of this type will grant the club boys and girls an opportunity to observe, and use the knowledge of veteran cattlemen to help gauge the true value of cattle they wish to purchase.

Pasture fitted cattle of top bloodlines are consigned by leading breeders from over the entire State of Texas. The members of the association feel this will be an excellent opportunity for individuals to purchase foundation cattle at reasonable prices.

TRADE IN CAMERON

Thomas R. Stoebner Receives Discharge From U. S. Navy

Thomas R. Stoebner received his discharge from the U. S. Navy Friday, February 25, 1955 after serving 4 years.

He recently arrived in San Francisco for discharge after serving in the USS AFDB-1 Guam, M. I. for the past 16 months.

Stoebner, son of Mr. and Mrs. Will Stoebner arrived in Burlington flying most of the way.

The following people visited in the home of Mr. and Mrs. Will Stoebner over the weekend: Lloyd F. Stoebner and Miss Maxine Kohring of Austin. Miss Florence Ruth Boecker and Miss Willie Mae Stoebner of Temple.

From where I sit ... by Joe Marsh

Uses His Head Saves His Feet

Nobody around here can remember when Pop Turner wasn't our town's postman. He must have been toting that big, heavy mail-sack since Pony Express days.

That's why it's sometimes a shock to see him these days pulling his mail bag around in a "caddy cart," a sort of light wagon that golfers use so they don't have to carry their clubs.

"Folks sometimes holler 'fore' at me and ask me how my game is," Pop reports, "but I'm not ashamed to learn something new. Just wish I'd thought about these golf gadgets years ago!"

From where I sit, it's good to see someone come up with a new wrinkle — keeps us from feeling too regimented. For instance, perhaps you've always felt that hot milk is the only thing to drink at bedtime. Then someday you meet a fellow who prefers a cold glass of beer. Well, that's his choice — and certainly he's entitled to it. We can't expect everyone to follow our old habits to the "letter."

LITTLE RIVER PHILOSOPHER CLAIMS HORROR COMICS BEST ALLY PARENTS HAVE FOR EXPLAINING THEIR CHILDREN

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River may be entirely out of his field this week, but that's his affair, not ours

Dear editar:

March winds have been blowing in an extra large number of newpapers out here lately and it's all I can do to keep up with reading em, what with lots of farm work to do, although when it comes to letting work or newspapers pile up, the choice is always clear in my mind, as my philosophy is an idle tractor burns no gas, an unturned wheel wastes no rubber, a stalled motor uses no oil, a penney saved is a callous avoided, and yesterday afternoon I was trying to catch up and was going along pretty good when I ran into an article that alarmed me.

According to this article, another organization is after Congress to put stiffer bans on comic books and television programs, on the grounds that horror comics and gun-play television shows are contributing to the delinquency of the children of this nation. This group wants laws passed practically banning comics and T. V. shows.

I sympathize with this group, but I believe they're making a big mistake.

Look at it this way: suppose they get a law passed banning comics and T. V. crime shows, and the rate of child delinquency continues about like it is?

Where's that gonna leave the parents? Who're they gonna put the blame on then?

I tell you, comic books and T.V. shows are the greatest inventions ever perfected for parents hunting for something to put their finger on outside themselves to blame for the kind of children they're raising, and they get some laws passed eliminating em and delinquency stays about like it is and they're liable to wake up with the spotlight shining in their own eyes.

The last thing a parents wants is the removal of the best alibi he's got.

Tone the comics down if they like, spill a little less blood on television, but when you start talking about banning em altogether, you're knocking out one of the best props a parent ever had for explaining the type of child he's bring ing up, and if grownups are smart they'll go easy on this.

Yours faithfully,
J. A.

Soil Conservation District News

Supervisors: Edwin Fischer, A. W. Butts, Paul C. Graves, Clarence L. Stock and Hal Hartrick.

William I. Love, of the Elm Ridge Community, is developing a complete soil and water conservation program for his seventy-five acre farm.

Two years ago, Mr. Love retired from the Navy and bought this small farm adjoining Cornelius Titsworth, his son-in-law. Mr. Love knew very little about farming, but he began studying all available material and observing what other farmers were doing. He became familiar with the soils on his farm and learned the capabilities of the soils. Mr. Love began applying the best techniques that he could find.

Mr. Love found the soil in very poor physical condition and he realized that the condition would have to be improved before desirable pasture grass would grow. He began seeding hubam clover to improve soil condition.

Mr. Love planned a livestock program for his place and began improving pastures. In a small sandy field, bermuda grass was present in small, scattered patches. Mr. Love applied a heavy application of fertilizer last spring. Even with the light rains, the grass made a solid cover last summer. This experiment has led Mr. Love to believe that bermuda grass will be the best grass for his farm.

Mr. Love plans to sod a nursery plot of Coastal Bermuda this spring. Next year, he plans to sod as much as possible. Eventually, he plans to have all his pastures in bermuda and overseeded with clovers and rescue grass.

Mr. Love has been careful to defer grazing on his pasture of native grasses. He has allowed the native grasses to reseed both years that he has owned the farm. It is evident that the stand of grass has increased.

A large pond is now being constructed on the farm. A system of cross-fences will be built so that the pond will furnish water for three pastures. A small pond in another pasture will be enlarged this summer.

Mr. Love can see the results of the work that has been done. He can also visualize what the farm will look like when his conservation plan has been completed.

"In The House of Representatives"

BY HERMAN YEZAK

Feb. 28-March 4. The House passed a bill abolishing cross-filing without a debate by a vote of 115 to 18. Several members changed their vote from "no" to "yea" after voting against it.

The House Education committee reported favorably on a bill raising college tuition fees by a one-vote margin. The vote was 9 to 8.

House Bill 578 proposes to refund only seventy-five per cent of the present tax refunded on gasoline used by tractor farmers, the aviation industry, and other non-highway users. The bill dedicates this tax to schools.

The bill providing jury service exemptions for women was passed in the House by a vote of 130 to 7.

The Revenue and Taxation committee held its first hearing on a tax bill. The tax measure which was heard proposes a three per cent gross receipts tax on parking lots.

The first Constitutional Amendment was passed by the House this session on Tuesday. The measure allows the Legislature to set interest rates on loans when they are below fifteen hundred dollars.

The House passed the first two ...ter bills of the session this ...ek. One proposal designated the ...ate Board of Water Engineers to ...nduct public hearings and make ...al recommendations on the feasibility of proposed water projects on Texas streams. The other bill requires water districts to register its boundaries with the State Board of Water Engineers so it will know where they are located and whether they are any overlapping.

An effort to send the bill making Arlington State College a four-year college from the floor of the House to a committee for further consideration failed by a vote of 77 to 47. Efforts to postpone this bill for two weeks failed also. Proponents contend that the Dallas-Fort Worth area needs such state supported institutions.

According to the terms of the general appropriation bill, seven million dollars more will be allocated annually for old age assistance and other welfare services, starting September 1. This figure would be matched by federal funds.

A state-wide Judicial redistricting bill was introduced. The bill proposes to extend the jurisdiction of the Twentieth Judicial District over Robertson County. At present, its jurisdiction is only over Milam County. The 85th Judicial District, composed of Brazos and Robertson Counties, would remain unchanged. Under such an arrangement, both district courts would have concurrent jurisdiction over Robertson County. From indications, it appears that the Twentieth Judicial District will remain intact.

The members of the House have introduced 617 House Bills and 38 Constitutional Amendments. The committees are conducting public hearings on bills during the afternoons and nights.

John Hayes To Be Toastmaster At Meeting

Cameron postmaster John Hayes will act as toastmaster at the Postmasters 11th district National Association dinner meeting in the Kyle Hotel in Temple March 19 at 7 p. m.

Homer Dennis, Fort Worth district manager; L. H. Stephens, assistant inspector in charge of the 11th district; and B. E. McCaskill, general superintendent in charge of transportation will be the speakers for the meeting.

Mrs. Opal Robertson, Temple postmaster and state secretary of the organization will be in charge of the program.

The 11th district is composed of Bell, Coryell, Milam, Falls, McLennan and Bosque counties.

Shirley Gail Horelica Born at St. Edward

Mr. and Mrs. August Horelica announce the birth of a daughter, February 20 at 3:45 a. m. at St. Edwards hospital. She has been named Shirley Gail and weighed seven pounds.

Grandparents are Mr. and Mrs. Ed Angell of Cameron and Mr. and Mrs. W. F. Horelica of Buckholts.

The Horelica's also have two sons, David, 4 years of age and Richard Doyle who is one year old.

Delegates To HD District Meet Elected Monday

The Milam County Home Demonstration Council met Monday at Courthouse at Cameron.

Twenty-nine ladies were present with the chairman, Mrs. Buck Angell, presiding and the secreatry and treasurer, Mrs. Forest Smith reading the minutes and calling the roll.

Recommendations of the various committees were voted on and accepted after some changes were made.

Mrs. Alice Hughes, the home demonstration agent, announced that a Leaders Training meeting will be at her office at nine o'clock March 21. She also announced that workers will be selected to help with the Farm and Home development. They plan to help any farm family where help is needed, regardless of the size of family over Milam County.

Mrs. Dudley Curry, the T. H. D.A chairman gave an interesting report. Twenty-five cents for each club member of all the clubs over the county was turned in for the T. H. D. A.

Delegates and alternates were elected to the District Convention which meets at the Memorial Baptist church in Temple March 30 and 31.

The delegates elected were: Mrs Lorena Offield, Mrs. Dudley Curry and Mrs. Evelyn Young.

Alternates were Mrs. John Matyastic, Mrs. Allen and Mrs. Dennis Klein.

Admission fee at convention will be twenty-five cents each and one dollar per plate for each member.

Mrs. Jim Miller Feted With Tea

Mrs. Jim Miller was feted with a tea Thursday afternoon by Mrs. Milton Brown and Mrs. Don Humble in Mrs. Brown's Home.

The rooms were decorated with arrangements of spring flowers with the centerpiece for the refreshment table which was covered in a dark green cloth was formed of stock, tulips, daffodils and carnations in a brass bowl flanked tall pink tapers.

Assisting the hostesses were Mrs Gus Evans, Jr., Mrs. Harry Harroway and Mrs. Marlin Harris.

The Millers, who were residents of Cameron for three and one-half years moved to Houston Saturday where Mr. Miller joined a law firm.

Waco Flower Show To Offer Kilgore's Famed Rangerettes

Arrangements are being completed for the Waco Flower and EE ed for the Waco Flower show. The Kilgore Rangerettes as part of the outstanding program of entertainment to be presented during the Flower and Home Show, sponsored by the Waco Council Garden Clubs, April 15-17.

The colorfully-costumed, precision unit of 65 Texas beauties from Kilgore Junior College has appeared in Madison Square Garden, Radio City, Soldiers' Field in Chicago and the Cotton Bowl, has been featured in Life Magazine and on national television.

The booking of this major league attraction is on a par with the flower show itself which, its first year, won the national first prize, said Mrs. E. C. Bolton, council president.

Episcopal Women Have Tour Of Ft. Hood Monday

Several members of the All Saints Episcopal Church of Cameron participated in a tour of Fort Hood Monday. Twenty-seven Episcopal churches and missions were represented in the tour.

The 150 representatives were attending the semi-annual meeting of the Northwest Convocation of the Diocese of Texas at St. Christopher Episcopal Church in Killeen.

Following the tour, which included visits to the post chapels and other places of interest, the women had luncheon at the Fort Hood Officers Club. Following the luncheon, Chaplain (Lt. Col) Gregory J. Lock, division chaplain of the Fourth Armored Division addressed the group.

Representatives from Cameron were Mrs. William Black, president of the Auxiliary, Mrs. George Graves, Mrs. H. F. Smith and Mrs James McKeown.

There were representatives from Austin, Belton, Bryan, Calvert, College Station, Gatesville, Georgetown, Hearne, Killeen, Lampasas, Marlin, Mart, McGregor, Mexia, Rockdale, Taylor, Temple and Waco, also present.

T. H. Aschenbeck of Galveston spent the weekend in Cameron visiting friends. Mr. Aschenbeck is employed with the Texas Bus Terminal in that city.

Girl Scouts Celebrate 43rd Birthday With Father-Daughter Banquet Monday

Local Girl Scouts celebrated the 43rd birthday of Girl Scouting in the United States Monday evening with their Father-Daughter banquet in the Methodist Fellowship Hall at 7 p. m.

This banquet is held annually March 6 through 12.

The tables were decorated in the Girl Scout colors of yellow and green, with each table centered with english ivy and yellow jasmine. The speakers table featured arrangements of white stock, yellow daffodils and greenery. Place markers were miniature pup tents.

Following a barbeque dinner Reverend John Solomon introduced Patsy Anderle who gave the welcome to the fathers. The response was given by County Judge Charles C. Smith, Jr.

Reverend Solomon then recognized the troop leaders and their assistants, speaking very highly of the work that they do with the girls. Leaders are Mrs. Julian Terry, Mrs. Pete Mikula, Mrs. Homer Scott, Mrs. J. K. Parker, Mrs. S. D. Ripley. Buckholts leaders present were Mrs. E. W. Lehman and Mrs. H. V. Hess.

He then recognized the troop leaders and assistants from Buckholts and their troops.

Jimmie Asher then paid a tribute to the Girl Scouts on their birthday, having been started in American on March 12, 1912, speaking on "Democracy in Action", as is typified in scout camping.

Rev. Solomon announced that plans for a day camp here in Cameron are complete and also for the Area Camp at Camp Tex-Lake on Lake Travis.

Miss Mary Van Valkenburgh, field director from Austin, a guest at the banquet, then gave an introduction to the films on camping which were shown.

The showing of the two films concluded the program. One was on day camping and the other, a color film, was on international scouting.

There were approximately 75 girls and their fathers present at the meeting, including the two troops from Buckholts.

Visitors included members of the Girl Scout Board, Miss Valkenburgh, Mrs. John Solomon, Betsy Vogelsang, Mary Jane Vogelsang and Mr. Asher.

Mr. and Mrs. Tom Stratton and children of Corpus Christi stopped in Cameron for a short visit Friday. The Strattons are former residents of Cameron.

Mrs. Betsy Logan visited several days last week in Austin with Miss LaVerne Michalka.

Easter Ham Dinner

4 medium carrots, cooked
2 cups cooked rice
1 can condensed cream of mushroom soup
⅔ cup Pet Milk
¼ teaspoon salt
⅛ teaspoon pepper
2 tablespoons finely cut onion
1 lb. ground ham, smoked or cooked
1 cup bread crumbs (2 days old)
⅓ cup catsup or chili sauce
1 teaspoon dry mustard
2 tablespoons water

Cut carrots in half lengthwise; arrange on bottom of greased 1½-qt. loaf pan. Mix rice, ½ cup mushroom soup, ⅓ cup milk, salt, pepper and onion. Press lightly on carrots in pan. Top with mixture of ham, crumbs, catsup, ⅓ cup milk and mustard. Bake in moderately slow oven (350) 1 hour, or until brown. Remove from oven; loosen sides of loaf with knife. Let stand 10 min. Heat rest of mushroom soup with water until steaming hot. Turn out loaf; serve with the mushroom sauce. Makes 4 servings.

LEONA BENDER, popular radio star of KTSA says, "Every woman knows light Karo is best for cooking . . . and on the table . . .

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed...biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night...it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

Marietta Collier, Formerly of Sharp, Wed To J. C. Walker

Miss Marietta Collier, daughter of Mrs. Minnie Lee Collier of Austin and R. F. Collier of Pensecola, Fla. and J. C. Walker, son of Mr. and Mrs. W. D. Walker of Daingerfield, were married Saturday evening in the home of the bride's mother, with Rev. Verlon Fuller reading the double-ring ceremony.

Attendants for the couple were Mrs. J. W. Perry of Beaumont, matron of honor; Tommy Collier, brother of the bride, best man.

A reception was held in the home.

The bride's grandparents are Mr and Mrs. R. B. Collier of Cameron and Mrs. L. M. Massey of Rogers, all former residents of Sharp community.

Mrs. Walker is a 1950 graduate of the Sharp high school.

The couple will live in Austin.

League Work For District 39-A TIL Meet To Begin at Yoe High

Taylor High School will host the schools of District 39-A for the 1955 Interscholastic League Spring events S. M. Layfield, Yoe High School principal announced this week.

The first of the many activities will be the one act plays on March 24 and March 25 with winners announced on the 25th.

Also, on March 25, Literary events and volleyball will be held at the Taylor school.

Tennis matches and playground ball is scheduled on Friday, April 1 and Saturday, April 2. The golf matches will also be held on Saturday, April 2. The golf matches will also be held on Saturday, April 2.

The district track and field meet will be held on the Taylor high field Saturday April 16. Preliminaries will be held in the afternoon with the finals at night.

Layfield said the students of Yoe High School are preparing to switch to the schedule of league work. The morning activitiy period will begin at 9:25 and conclude at 10:10 while the afternoon activity period will begin at 1:35 and end at 2:10. The students use their own spare time otherwise to excell in any of the particular fields available that they have chosen.

Literary events available and their sponsors are:

Boys and girls junior and senior declamation, Mrs. C. L. Canady, Mrs. Ruth Rosson and Miss Mary Jo Boyd; number sense, V. A. Adams; slide rule, Mrs. Leroy Thompson; shorthand and typewriting, Miss Barbara Ann Evers; debate, boys and girls, junior and senior classes, Miss Ada Margaret Smith; poetry reading, Miss Mary Jean Bounds; spelling, Miss Boyd and Mrs. Thompson; extemporaneous speech, Mrs. Canady; ready writers, Miss Bounds and one-act play, Mrs. Buddy Wiese.

Sports events and sponsors are:

Senior boys playground ball, Coach Dick Young and Coach Leo Jackson; senior girls playground ball, Miss Dallie Young; junior boys and girls tennis, Leroy Thompson; senior girls volleyball, Miss Young; senior boys and girls tennis, Mrs. Herbert Nance; junior girls playground ball Miss Thompson and Coach Young; junior boys playground ball, Mr. Young; and senior boys volleyball, Coach Jackson. Also golf and the track and field events are available

Layfield stated that students must have passed three and one-half credit courses last semester and must now be passing to be eligible for League Activities. The Cameron school system generally has one of the largest number of participants in the activities and as a rule walks off with the majority of the prizes.

The local school holds its own preliminaries prior to the district meet with the winners representing Yoe High School at the district meet.

The spring meet which consists of District 39-A schools, includes Rockdale, Taylor, Belton, Georgetown, Rosebud. Killeen and Cameron.

Local Men Attend Farm Bureau Meeting In Temple Thursday

The 1955 Farm Bureau's program on a county level was launched at an all-day meeting of deleday.

Directors, resolution committees and service agents from District 8, which is composed of 11 Central Texas counties, attending the meeting. Ideads were exchanged on the most effective way of carrying out informational responsibilities in promoting action to carry out the Farm Bureau program on state and national issues as set forth by voting delegates were presented.

S. W. McClaren of Cameron presided, assisted by Bob Lilly, field representative from the southern region of the Farm Bureau.

Others attending from Cameron were John A. Smith, Jr. and William F. Arthur.

Mr., Mrs. F. Karnowski Have New Grandson

Mr. and Mrs. Leo Zvonek of San Antonio announce the birth of a son at 8:24 p. m. Sunday, Feb. 27 at Santa Rosa Hospital in San Antonio. The new arrival weighed 5 pounds, 15 ounces.

Grandparents include Mr. and Mrs. Frank Karnowski of Cameron and Mr. and Mrs. Rudolph Zvonek of Fort Worth.

He was also welcomed by a six-year-old sister, Diane.

Frank Bridges Takes Over As County Supervisor of F H A

Frank Bridges has replaced Roy W. Wright as county supervisior at the Farmers Home Adminstration, starting Monday, Feb. 28.

Bridges has been with the Farmers Home Administration since 1950 when he was appointed assistant supervisior at Marshall. He later was transfered to Lockhart where he served as county supervisior.

In January 1954 he entered University of Texas where he completed a one year course. Prior to accepting the Milam post he held the position of the Emergency Loan supervisor in Grandberry, Texas.

Bridges, whose home is Linden, Texas, is a graduate of Texas A&M College.

Mr. and Mrs. Bridges have two children, a five year old son, Frankie Joe and a 2-year-old daughter, Cathy Jean. His family will join him in Cameron as soon as suitable housing facilities can be obtained. Mrs. Bridges is a member of the Linden school faculty, teaching the fifth grade.

Sgt. R. R. Kaatz Guard Commander Of 81st Air Police

Technical Sergeant Rudolph R. Kaatz, husband of Virginia A. Kaatz of Box 581, Tappan, New York, and son of Mr. and Mrs. R. E. Kaatz of Route 2, Rogers, Texas, is now Commander of the Guard of the 81st Air Police Squadron at Bentwaters, England.

The 81st Air Police Squadron is a unit of the 81st Fighter-Bomber Wing, part of the 49th Air Division, supporting the North Atlantic Treaty Organization.

Prior to coming to England, the 33-year-old sergeant was Commander of the Guard at Randolph Air Force Base, Texas. This is his second overseas tour, since he spent 35 months overseas previously.

It was reported that Bill Storey, who has been in the Southern Pacific Hospital in Houston for the past three weeks will undergo an operation there next week. Mrs. Storey is staying in Houston while he is a patient there.

Bridges, who is a member of the Masons and Baptist church, stated that from what he has seen of Cameron he thinks he and his family will like it fine.

Eight Enlistments To Navy In Milam During February

Chief Morgan announced that 8 men were enlisted in the U. S. Navy during the month of February through the U. S. Navy recruiting station in Cameron.

These young men are now in San Diego, California at the U. S. Naval Training Center where they are getting their recruit training. After nine weeks these young men will be sailors with the greatest Navy in the world.

The men are Arnold Cleo Warren, Cameron; Alfred Garza, Rockdale; James Irvin Finch and J. C. Hunt, Minerva; and James Leslie Whitley, Charley Allen White, Jr., Billy Gene Davidson and Floyd Withers of Rosebud.

Immediate enlistments are available to young men desiring to enlist in the Navy and where two or more men want to enlist as buddies they will be in the same company for their recruit training.

For complete information see Chief Morgan at the U. S. Navy Recruiting Station, located in the Court House building in Cameron, on Monday, Wednesday or Saturday until noon, telephone 407.

J. B. Chamberlain, Dahlman Tie For Cup

For the first time in the history of the annual competition which Houston Natural stages annually among its 16 districts, final tabulations for 1954 showed that the championship had resulted in an exact tie. W. C. "Spud" Dahlman's El Campo district and J. B. Chamberlain's Wharton district were the winners.

The President's Cup is a trophy that is emblematic of outstanding leadership and distinctive accomplishment in district competition. Possession of the Cup ordinarily is granted to the winning district for the year ahead, but this year, each of the two winning districts will retain the cup for six months.

Company President Frank C. Smith tossed a coin, which Mr. Chamberlain called correctly, to determine that Wharton will keep the trophy for the first six months.

Both Mr. Chamberlain and Mr. Dahlman will receive an all-expense trip to the Southern Gas Association convention in New Orleans this spring for themselves and their wives. Each employee of their two districts will receive a $25 check.

Mr. Chamberlain is the son of Mr. and Mrs. W. E. Chamberlain of Cameron.

Pfc. E. Lankford Participating In Ft. Hood Test

PFC Eddy E. Lankford, 22, nephew of Mr. and Mrs. N. L. Caperton, Cameron, Texas, is participating in a special Army test exercise at Fort Hood, Texas.

Purpose of the exercise is to test combat command experimental formations organized by the 1st Armored Division to adapt to the latest concepts of atomic-age ground warfare.

Private First Class Lankford, a survey specialist in the 27th Armored Field Artillery Battalion, entered the Army in September 1953 and completed basic training at Camp Chaffee, Ark.

Andrea Brady Is On Fall Honor Roll At S H S T C

Andrea Brady of Cameron is one of 176 students to make the Honor Roll for the fall semester at Sam Houston State Teachers College in Huntsville.

The Honor Roll is determined by grade points based on A, B, and C's which are allowed for each office and posted in the Adminis-tions are made by the Registrar's class recitation per week. Tabulatration Building. Recognition is given in the student newspaper, the Houstonian.

Mrs. Charles A. Brady, Sr. is a Miss Brady, daughter of Mr. and sophomore elementary education major at Sam Houston.

Airman Braden Returns To States From Thule AFB

A-1c Bartley Braden, son of Mr. and Mrs. W. E. Braden of Cameron, is home enjoying a 20-day leave with relatives and friends.

Airman Braden has just returned from Thule Air Force Base, Greenland "The Northermost Settlement in the World". Thule AFB is situated on the northern coast of Greenland on the edge of the famous Greenland Ice Cap which is a mass of ice thousands of feet is depth and covers an area larger than the entire state of Texas.

At Thule AFB, 5,000 Airmen and only 6 females (Air Force Nurses) live at this remote isolated arctic outpost in specially constructed barracks built like refrigerators in reverse to keep the cold out and the heat in. Each building has two doors and no windows that will open. A few years ago it was believed that only the eskimo could survive the sever winters with its six months of total darkness and winds in excess of 110 mph and a recent all time low temperature of 72 below zero.

In the summer for one short month an ice breaker followed by larger ships goes up to restock the empty warehouses. The other eleven months men and perishable supplies are air lifted in when weather permits. The tour of duty at Thule AFB is one year with each man being able to take a leave mid-way through his tour and be flown home by the Air Force to help the morale situation.

Airman Braden is being reassigned to the USAF School of Aviation Medicine at Randolph AFB, San Antonio, Texas, a division of the Air university. Airman Braden is a graduate of Yoe High School where he was a member of the football, basketball and track teams."

Cleaner Washes
WITH RUUD • ALCOA
ALUMINUM ALLOY
AUTOMATIC GAS
WATER HEATER

Cleaner Washes because it supplies load-after-load at tank temperature of 180 degrees — recommended for faster and more thorough dirt removal, whiteness retention and bacteria destruction! Soaps, detergents or washers cannot be blamed for dingy results when low water temperatures are used! Laboratory tests prove, *the hotter the water the whiter the wash!*

Cleaner Washes because Ruud-Alcoa withstands the greater corrosiveness of high-temperature water. Aluminum alloy tank never rusts! Water is always sparkling clean even at 180 degree settings.

Laundry Rating matches the right Ruud water heater to your particular washer. Washing becomes really automatic . . . you wash when you please, as often as you please!

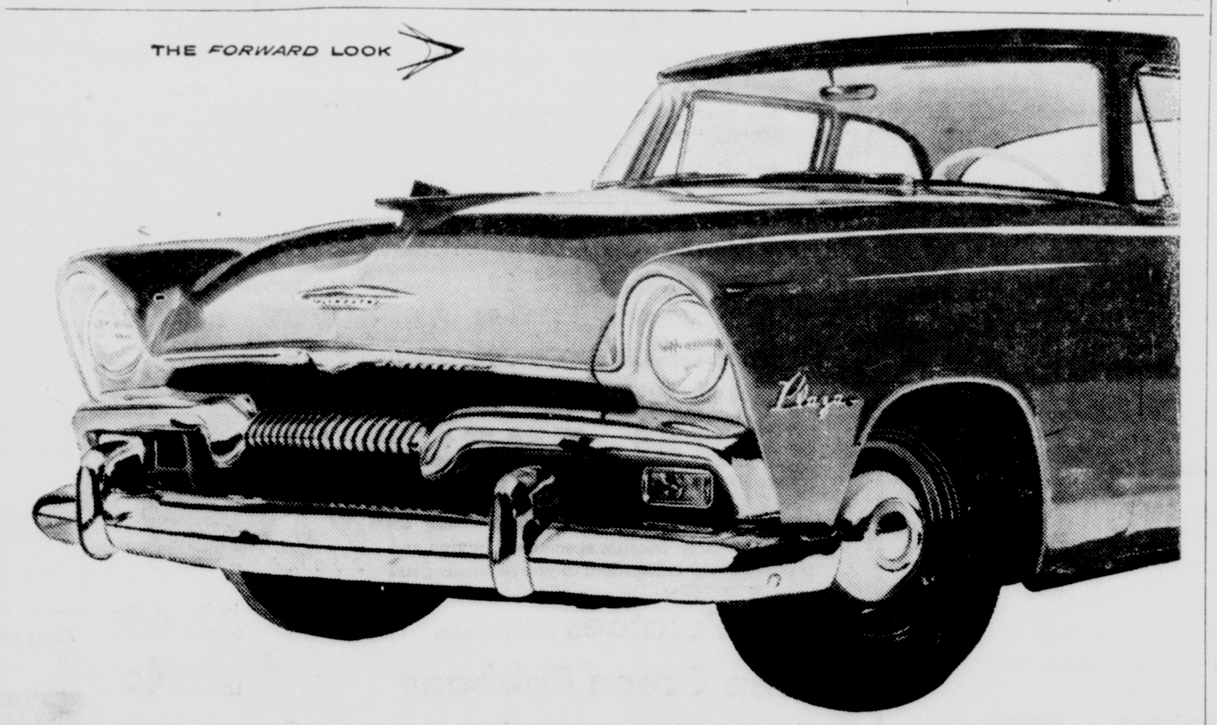
$1 down

As little as $5.1[illegible] monthly! Ten year guarantee! Call or visit any Lone Star Gas salesfloor!

MIRACLE ALUMINUM — PROVEN IN HOME, FACTORY, COMMERCE
Ruud, makers of the famous Monel tank, has used thick, durable Alcoa aluminum alloy to fashion a water heater tank unexcelled for today's hot water demands.

Change to Laundry-Rated Ruud-Alcoa Now!

Gas 3 TIMES FASTER • CHEAPER TOO
LONE STAR GAS COMPANY



TOP CAR...TOP SIX
of the low-price 3!
BIGGEST SIZE, SMOOTHEST PERFORMANCE, HIGHEST ECONOMY

Take a turn at the wheel behind Plymouth's new PowerFlow 117 engine—see why it's the *smoothest, thriftiest* 6 in the lowest-price field. Here's power for all driving needs, plus the super-smoothness of the PowerFlow's Chrome-Sealed Action. No other low-price car has it, and it's your guarantee of more years of gas-saving economy and trouble-free performance.

Taxicab operators, who depend on cars for a living, buy more PowerFlow 6's than all other makes combined . . . they say the PowerFlow 117 is the most economical, most efficient 6 ever built! Its L-head design means fewer working parts, less friction. Its automatic choke meters each drop of fuel. Its bypass cooling system gives you quick warm-up in cold weather; dozens of other exclusive features promise you much lower operating expense.

The PowerFlow 117 engine is one big reason why the big swing this year is to the *forward-looking* Plymouth. Another is the new 167-hp Hy-Fire engine, the most powerful standard V-8 in Plymouth's field. Plan to drive a big, beautiful Plymouth with either of these two great powerplants soon—*how about today?*

THE SICK GET WELL

By J. E. Boyce, D. C.

The Los Angeles Herald-Express reprinted this story from an Eastern paper dated 1865:

"A man about 46 years of age,

Joshua Coppersmith, has been arrested in New York for attempting to extort funds rom ignorant and uperstitious peole by exhibiting a device which he says will convey the human voice any distance over metallic wires so that it will be heard by the listener at the other end.

"Well informed people know that it is impossible to transmit the human voice over wires as may be done with dots and dashes and signals of the Morse Code, and that were it possible to do so, the thing would be of no practical value."

"The authorities who apprehended the criminal are to be congratulated and it is to be hoped his punishment will be prompt and fitting."

That his, Joshua Coppersmith's, telephone actually worked was brushed off with the "of no practical value" statement because "well informed people" knew it was impossible and any evidence to the contrary was disregarded.

We, laughingly, poke fun at our ancestors but we turn right around and do the same sort of things.

There isn't a day in our office that some wife doesn't exclaim that although she has had just wonderful results, her sick husband just doesn't believe in chiropractic. The evidence is as completely ignored today as it was in 1865 by many suffering, ill people who might otherwise benefit greatly.

Here is more evidence in the form of a case from our files:

A married lady age 58 — had suffered from terrible headaches for years, accompanied by extremely high blood pressure, (over 200). She had failed over the years to correct this condition — Oh yes, she tried, but no help could be had until she visited the Boyce Clinic. Corrective adjustments were started immediately after spinal analysis and examination located the vertebrae causing nerve irritation and interference. When complete spinal correction was accomplished she reported no headaches, feeling wonderful — Blood pressure dropped to normal. Case 180.

Men occasionally stumble over the truth. Most of them hurry off as if nothing had happened. A few will investigate and benefit.

Note: Texas Workmen's Compensation Law authorizes payment for Chiropractic services. Demand it from your employer and his Insurance Company.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 7.586 miles of Gr., Strs., Base & Surf. from US 77 south of Cameron to Hanover on Highway No. I-M 2095, covered by C 1953-1-1, in Milam County, will be received at the Highway Department, Austin, until 9:00 a. m., March 22, 1955, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of Joe G. Hanover, Resident Engineer Hearne, Texas, and Texas Highway Department, Austin. Usual rights reserved. 48-2tc.

Nine Guard Members Get Promotions

Nine enlisted men of Battery C, 649th Anit-aircraft Artillery Battalion received promotions on the first of this month, it was announced during the unit's drill period at the Armory on Monday evening.

They were listed as follows:

Promoted to Sergeant were two Corporals: Donald W. Culp and Albert J. Michalka.

Getting their second stripes as Corporals were Pfc. Clifford T. Boswell, Henry C. Hubnik, Lawrenc J Kostroun, Donald W. Mees and Harry L. Yakesch.

And Pvts. Charles W. Burnett and Rudolph A. Tepera were upped a grade to Private First Class.

The local Guard unit also reported that plans were being completed for its first week-end training for Saturday and Sunday, March 26 and 27, at North Fort Hood. Battery C's gun crews will get some practice during the two day training session in firing 50 cal. machine-guns at ground and aerial targets on the anti-aircraft artillery ranges there. The Guardsmen will make the trip to North Fort Hood in their own vehicles on Saturday. They will bivouac in the field overnight, and are scheduled to return to Cameron on Sunday afternoon.

Porter Young arrived in Cameron last week following his discharge from the U. S. Navy.

T. H. Aschenbeck of Galveston spent the weekend in Cameron visiting friends. Mr. Aschenbeck is employed with the Texas Bus Terminal in that city.

Following the meeting sandwiches, pie and iced tea were served by the hostess.

FISH FOR COMPLIMENTS

"So delicious"..."Marvelous flavor"..."Wonderfully fresh-tasting." Compliments like these will come your way every time you serve fish selected at Safeway. Our Frozen Fish Service brings you fillets and steaks full of the natural goodness of fresh-caught fish. Modern methods and equipment make it possible to hold ocean-fresh flavor for you to enjoy any time. No need to wait for certain days or seasons.

Perfect flavor is only part of the story. These delicacies-of-the-sea come to you in pan-ready form. There's no cleaning to do. They're ready for pan or oven just as you buy them.

Easy on the purse, too, because they're waste-free. You pay only for what you use.

Come try them. There are big, thick steaks like those you've enjoyed at famous seafood restaurants. And tender, flaky fillets that fry to a golden-brown, melt-in-your-mouth goodness. Truly, compliment-getting fish.

Easter Seals To Be Mailed March 14

Dates for the 1955 Easter Seal campaign in Cameron and throughout the nation are March 10 to Easter Sunday, April 10, Mrs. R. J. Woodum, president of the Milam County Easter Seal Society announced today.

The appeal, the 22nd annual one in behalf of crippled children, is expected to be the most extensive campaign in the society's history. Easter Seals will reach more than 2,500 residents in the Mialm area. Mailing will begin around March 14.

Crippled children's colorful messenger, the 1955 Easter Seal, will be oblong in shape this year. Designed by Chicago's Stevens Gross Studios, it displays a white lily, symbol of the Easter Seal Society, on a pink background. A bright blue ribbon imposed on the lily says "Help Crippled Children," and below it, on a bright pink ribbon, are the words "Easter Seals."

Contributions to the campaign will be used in the county. Over 90 per cent of the funds remain in the area for local use, the remainer supporting a nationwide vices and research including the Easter Seal Research Foundation.

The campaign is held simultaneously by 1,500 affiliates of the National Society for Crippled Children and Adults in the 48 states, District of Columbia, Alaska, Hawaii and Puerto Rico.

CSS Urges Feed Dealers To Use Certificates

Holders of dealers' certificates under the emergency feed program in this area are urged to use them before they expire.

Expiration date is 120 days from the date they are issued, C. H. Moseley, director, Dallas Commodity Stabilization Service, pointed out.

After the deadline date, the certificates will be worthless he added.

These are the certificates issued to feed dealers who have supplied grain to farmers and ranchers under the emergency program. They are used to help purchase replacement grain from Commodity Credit Corporation.

"The 120-day limit has already slipped up on some feed dealers," Moseley explained.

Under the emergency feed program, eligible ranchers and farmers are issued purchase orders for the supplemental grain they need, up to a 60-day supply. These purchase orders are worth $1 per hundredweight for the amount of grain involved. They carry a 120-day expiration date.

When stockmen buy grain they turn over the orders to their feed dealers, who must convert them into dealers' certificates within 120 days of issue. This is done in the county Agricultural Stabilization and Conservation office in the county where issued.

These dealers' certificates, also good for 120 days, carry the dollar value of the purchase orders. They are turned over to regular suppliers or CCC when dealers buy replacement grain.

Issuance of purchase orders ended Feb. 15. Dealers who accept approved purchase orders after that date will have the 120-day period to convert them into dealers' certificates.

"Feed dealers who wait too close to any of the 120-day expiration dates to transfer certificates may not have time to make the transfer. This means they may loseout on the dollar value of the certificates when they buy replacement grain from CCC," Moseley emphasized.

Dallas CSS office has sold about 7,362,068 bushels of grain to southwest and southeast feed dealers since last summer when the program got underway. These sales included 5,200,529 bushels grain sorghum, 2,065,408 bushels oats and 96,131 bushels corn.

States taking part in the program in this area are Oklahoma, Texas, New Mexico, Arkansas, Louisiana, Mississippi, North and South Carolina, Georgia, Alabama, and Tennessee.

Mr., Mrs. Elby Fikes Have New Daughter

Mr. and Mrs. Elby Fikes announce the birth of a daughter, Donna Ybette, born February 9 in Houston. The new arrival weighed 7 pounds.

Her father is presently serving with the U. S. Army in Korea, while her mother, who is the former Bettye Jean Stevens of Cameron, is living with his parents in Houston until he returns to the states.

Grandparents are Mr. and Mrs. Cecil Stevens of Cameron and Mr. and Mrs. Raymond Fikes of Houston.

Weekend guests of Mr. and Mrs. Charles Hundle was a daughter family, M-Sgt. and Mrs. Arnold Orsag and children, Deane and Wanda Joyce of Huntsville.

Mr. and Mrs. Tom Stratton and children of Corpus Christi stopped in Cameron for a short visit Friday. The Strattons are former residents of Cameron.

Mrs. Betsy Logan visited several days last week in Austin with Miss LaVerne Michalka.

There's no parking worries, no standing in line when you bank by mail. Citizens National Bank, member FDIC.

Society In The News

Branding Irons, Well Known Brands For Delphian "Ranch Lore" Program

Lore" program had been planned in observation of this event.

She then turned the program over to Mrs. Carol Green, the program Chairman. Mrs. Green stated that the Delphians, during this year, had been studying the traditions, beliefs, and customs told in Texas Folklore and had also broached Mexican, American and other phases of folklore at their previous meetings.

She then introduced the guest speaker, Niley Smith, a rancher.

His talk centered on two phases of ranching, the origin of the Ame-

In a setting of branding irons, Lone Star flags, and numerous well-known brands the Delphians held their Texas Day dinner in the Milam Coffee Shop Monday evening, February 28, at 7 p. m.

Following the invocation by Dr. Mark C. Magers a chicken dinner was served.

Each table had a row of Texas Flags down the center with the speakers table centered with an arrangement of narcissis and an array of branding irons in the foreground. Each dinner guest was given a program with the club collect written inside, with the covers novelly inscribed with a popular cattle-brand.

The club president gave the welcoming address reminding the members and their guests that March 2 is Texas Day and "Ranchrican cowboy and the different breeds of cattle and a short review of some of the ranches he had visited.

"The romance and the cattle of the old west are inseparable", Mr. Smith stated. "Every cattleman of the old west was rough and ready, he had to be. He asked no quarter and gave none. The cattlemen of today have the same spirit of independence as those cattlemen of yesterday."

He then told of the work of Dr. Mark Francis of Texas A & M college and how his various experiments rid Texas of "Texas fever" and made it safe to raise cattle in Texas without loss due to disease. another factor improving the strain and health of cattle in Texas, Smith pointed out, was the enforcement of the dipping vats law, endorsed by the Federal Government in 1919.

Many famous ranches were reviewed by Mr. Smith, including the Kings Ranch, which originated the Santa Gertrudis cattle, the Firestone Ranch, and the most beautiful of all, the Biltmore Farms in North Carolina which has separate "maternity barns", nursery barns and even, Mr. Smith chuckled, individual drinking and salt cups.

"Why, those farms in Kentucky" he related, "owned by wealthy ranchers, have fences which would sell for more than our land down here".

Mrs. Green thanked him for his informative, clever address and the meeting was adjourned with the singing of "Home on the Range", led by Jimmie Asher with Mrs. Mark Magers accompanying at the piano.

Milano Baptist Winsome Class Met With Miss C. Miller

The Winsome class of the Milano Baptist church had its regular monthly meeting Tuesday night in the home of Mr. and Mrs. Curtis Miller with fifteen present.

The devotion was given by Mrs. McDonald, mother of Mrs. Fox, who is visiting in the home of Rev. and Mrs. Fox.

Sunshine sisters were revealed and gifts were exchanged. The group sang happy birthdays to Mrs Curtis Miller, Mrs. Cecil Hurt and Mrs. McDonald, who had birthdays on that day.

The hostess then served strawberry shortcake and coffee.

Founders Day Program By Children And Adults Held In Buckholts

The Buckholts Parent Teacher Association met Tuesday afternoon February 22, at the school gymnasium for a Founders Day Program, presented by high school students.

The program opened with a song, "We're climbing Jacob's Ladder" by the high school chorus, with Mrs Burkes directing music. Inell Tomasek was program announcer for the following numbers:

Bernice Fischer explained the PTA movement and its purpose. Zackie Griffin read a poem, "The Child," which asks the teacher to understand the student. A poem on Re-Dedication was read by George Weido. Julian Janes listed some of the accomplishments of the local PTA under the leadership of its president, Mrs. Harold Fuchs. Helen Svetlik praised the three cornerstones, homes, churches and schools of the Buckholts community A Poem, "Be Kind Now" was read by Grace Stoebner. Corrine Mkush gave an informative talk on the PTA, followed by the group singing, "Service For Others" and "Keep Your Eyes Upon The Objects." Dorene Weber read, "A Founder's Day Wish," and Marion Fuchs told why people are members of the PTA.

Part two of the program was about trees. The poem, "Trees", 7:30 p. m. was read by Joy West, and the story about the "Oak Tree Emblem" was told by Gloria Mendoza. Charles Obermiller encouraged everyone to plant trees. A poem, "A Little Tree" was read by Evelyn Glaser. Joe Dean Zajicek gave the time for planting trees, Marilyn Hanke encouraged the planting of pecan trees, Carol Jean Zajicek expressed the beauty of trees. A vocal solo given by Joy West was entitled, "Trees."

Following a brief talk by Mr. Benold, school superintendent, the group was directed to the school campus for a tree planting ceremony.

Mr. C. Titsworth, vocational agriculture teacher, was historical narrator for the program and directed the planting of six pecan trees from the Hogg Foundation at Austin.

Trees were planted by Mrs. Harold Fuchs, local PTA president; Mr. O. W. Benold, school superintendent; Helen Svetlik, FHA president; Zackie Griffin, FFA president; Jessie Mendoza, youngest boy; and Patsy Inge, youngest girl.

Following the ceremony, PTA members met in the HE cottage for a short business session.

Connie Arrington Feted With Party On 7th Birthday

Connie Arrington was feted with a party by her parents, Mr. and Mrs. Joe Arrington, at her home Wednesday afternoon, February 23, in celebration of her 7th birthday.

Following several games the children were served birthday cake and hot chocolate and individual favors by the hostesses mother and grandmother, Mrs. Bela Hall.

The refreshment table had colored streamers depending from the top light fixture to each corner of the table, where each was tied with big bows. Centering the table was the white iced birthday cake inscribed with "Happy Birthday".

Those attending were Ralph Harroway, David Lamb, George Poole, Jr., Delmer Ray Glaser, Debe Brasher, La Wanda Bowley, Joyce Morgan, Barbara Morgan, Carol Ann Crook, John Graham, Becky Graham, Ronnie Holloway, Roy Earl Haines, Kathy Dean Haines, Douglas McFarland, Margaret Kestenbaum, Diane Howard, Le Nette and Valarie Green, Kim McDermott, and Connie's younger brother and sister, Kay and Vince.

Living Rooms And TV Discussed At Buckholts HD Club

The Buckholts H. D. Club met Friday afternoon in regular session.

Mrs. J. P. Fuchs gave a very interesting discussion on the main points of living room arrangements such as points of business center, reading center, stressing comfort. She also brought out the fact that there should be one foot distance from T. V. for every one inch of screen surface. This seems to be a point very often over looked.

Mrs. Arnold Glaser was hostess for the afternoon and served cookies and punch.

The next meeting will be held Monday night March 7 at which time Mrs. S. M. Corley will give a lecture on Safety on Life's Highways, stressing the stop signals in our every day life.

There will be no hostess for this meeting since it is Farm Bureau meeting night at which time there will be a guest speaker picture slides and refreshments. The public is invited to attend both of these meetings.

Buckholts PTA Plan Receipe Book

Buckholts Parent Teacher Association met Tuesday afternoon at the HE Cottage with Mrs. Harold Fuchs, president in charge of the business meeting which followed.

Mrs. J. P. Fuchs, secretary read the minutes of the last regular meeting, and made a report on a call meeting held January 24, when executive members met to complete plans for compoling a cookbook as a PTA fund-raising project.

Literature was passed out to the members describing the book, to feature favorite recipes from women of this locality. In addition to the recipes, the book will contain kitchen hints and other interesting material. The sale price will be $1.00.

The last payment has been made on the eleven Band Uniforms, which completed a PTA project for this year.

The next meeting will be Friday March 12, at 7:30 p. m. to be held in connection with the closing night of "Public School Week".

Mrs. Hightower Honored with Bridal Shower

A miscellaneous shower honoring Mrs. Harley Hightower was given February 17 at the Walkers Creek Community House.

The hostesses for the occasion who were Mrs. V. L. Angell, Mrs. O. L. Hightower, Mrs. R. T. Delahunty, and Mrs. A. H. Hightower decorated the room with the George Washington theme. Mrs. R. T. Delahunty presided at the brides book

The table was laid with a white linen tablecloth and centered with a cherry tree. Approximately thirty guests were served salted nuts, mints, punch by Mrs. A. H. Hightower, and cake squares by Mrs. O. L. Hightower. Plate favors were miniature flags.

After several appropriate games which were led by Mrs. V. L. Angell the gifts were presented to Mrs. Hightower on a large red wagon decorated with white and blue streamers.

Mrs. Hightower is the former Louise Thompson of Foley, Alabama. The couple was married there December 18. Mr. Hightower will receive his discharge from the Navy March 4.

Mrs. R. G. Grabein Entertains Civic Garden Club

The Civic Garden Club held its regular February meeting in the home of Mrs. R. G. Grabein, since this was a combination program and social meeting.

Mrs. O. G. Tumlinson talked on Arbor Day and Mrs. Auttis Franklin conducted a horticultural quiz.

The club voted to send two pecan trees to McCloskey Hospital.

Plans were made for a group to attend the District meeting in Waco March 3.

A short social hour was conducted with the hostess serving cookies and coffee.

The valentine theme was carried out throughout the hostesses arrangements.

Two Milam Students Make M-H Baylor Honor Roll

Two Milam County students are among the 29 who made the honor roll at Mary Hardin Baylor in Belton last month.

They are Theresa Jane Mode, the daughter of Mr. and Mrs. Olie Mode of Burlington and Jewel Cleek of Cameron.

To be eligible for the deans honor roll a student must have attained a scholastic average of 2.5 and be carrying a minimum of 12 semester hours.

Mrs. Frank Hanel Gives Hoyte HD Program Tuesday

Mrs. Ellis Coker entertained the members of the Hoyte Home Demonstration club at their meeting March 1. Besides the nine members four guests were also present, and they were Mrs. F. A. Michalka, Mrs. Pete Mikula, Mrs. Paul Williams and Mrs. Abbie Williams.

Mrs. M. A. Hearne, the club vice-president was in charge of the meeting in the absence of the president, Mrs. T. R. Allen. The meeting was opened with the club prayer and creed recited in uninson.

Mrs. Frank Hanel gave the council report and had charge of the program, "Safety on Life's Highways".

The surprise package was won by Mrs. Paul Williams.

Following the business session, refreshments were served by the hostess, assisted by Mrs. Monroe White.

Their next regular meeting will be March 15 with Mrs. White, hostess.

Texas History Topic of M. Slovacek At Sharp P.T.A.

The P.T.A. of the Sharp High School held their regular meeting at the school Wednesday night.

Marvin Slovacek gave a talk on some of the people of early Texas history.

Geo. M. Lamb, supt. Sharp schools, reported that the high school students had asked him about having a play night each week at the school. A committee was appointed to meet with representatives of the high school class Friday afternoon to plan activities for the play nights.

Bethany Class Has Social In Mann Home

Members of the Bethany Class of the First Baptist Church held their monthly social in the home of Mrs Vivian Mann Thursday evening at 7 p. m.

Mrs. Mann gave the opening prayer with Miss Natalie Bynum giving the devotional, which was based on John 3:16, "Giving up to the Lord".

During an open discussion on "Why People Sin" the class reached the conclusion that most people sin because they fail to think twice before acting.

New class yearbooks, compiled by Betty Dorner, were distributed at the meeting.

Following a short business session the hostess served apple pie and coffee. She was assisted by Mrs. Lucille Marburger.

Mrs. Charles Payne Entertains 42 Club

Mrs. Charles Payne entertained the members of the 42 Leisure Club at the Milam Coffee Shop Thursday afternoon.

All of the arrangements carried out the St. Patrick's day theme.

High score winners were Mrs. Leo Stecker and Mrs. Henry McLane with Mrs. Gladys Matyastik getting the 84 prize.

Table cuts went to Miss Bessie Marak, Mrs. McLane and Mrs. P. L. Bergum.

Mrs. Marak and Mrs. Norma Mees were guests at the meeting.

Following the games salad plates and coffee were served with little four-leaf clovers as plate favors.

The next meeting will be a business session in the home of Mrs. Leo Stecker.

Betty Jo Henson Wins Homemaking Contest In Buckholts

In a recent Homemaker of Tomorrow contest sponsored by General Mills, Betty Jo Henson, Buckholts high school student received the highest score in a 50 minute written examination which tested the homemaking knowledge and attitudes of the senior girls in the graduating class. She will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow. She will also receive a golden award pin, cook books for herself and the school.

A scholarship of $1,500 will be awarded each State winner, and she will receive a trip with her school advisor to Washington, D.C. Colonial Williamsburg, Va., and Philadelphia. Her school will receive a set of the Encyclopedia Britannica. The Scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to $5,000.

The National winner in this search conducted among 187,000 young women in 8,000 of the nations public, private and parochial high schools will be named April 21 at an American table fete in Philadelphia.

Each girl who took the test received a 24-page homemaking guide which will assist her in pursuing the career of homemaking.

Dr. Villareal Guest Speaker At U of T Exes Meeting

Texas Ex-students of Milam County held their banquet at the Cameron Country Club with Dr. Jesse J. Villarreal, professor of speech and director of the Speech and Hearing Clinic at the University of Texas, as guest speaker.

He discussed the University, past and present with an outline of the old buildings that have been torn down and the new ones which have been built. He predicted that the steady rise in registration at the university will continue, adding that 50 per cent of all Doctoral Degrees from students in this state are received from Texas University

There were 35 Exes present at the dinner-meeting with president, Jack Prescott acting as master of ceremonies and introducing the guest speaker.

New officers elected were William H. Sheppard, head of Public Relations at Alcoa in Rockdale president; George Bredt, Real Estate and Insurance Dealer from Loughmiller, principal of the Cameron Elementary schools, secretary treasurer.

Mr. and Mrs. Truman Pembroke were in Waco Wednesday on business.

AN ORDINANCE ORDERING AN ELECTION TO BE HELD IN THE CITY OF CAMERON, TEXAS, TO DETERMINE THE QUESTION: SHALL A COMMISSION BE CHOSEN TO FRAME A NEW CHARTER?; AND, IF A MAJORITY OF THE VOTERS AT SAID ELECTION SHALL HAVE VOTED IN THE AFFIRMATIVE, PROVIDING FOR A CHARTER COMMISSION TO PREPARE A NEW CHARTER, AND FOR A SECOND ELECTION TO DETERMINE WHETHER THE CHARTER SO DRAWN SHALL BE ADOPTED.

WHEREAS, at a regular meeting of the City Council of the City of Cameron, Texas held on October 5th, 1954, on motion by Alderman Milton J. Schiller, seconded by Alderman Gene F. Blake, it was resolved by unanimous vote of the City Council, acting under authority of Article 1165, Civil Statutes of Texas, that an ordinance be prepared by City Attorney, Roy Baskin; submitting to the qualified voters of the City of Cameron the question "Shall a Commission be chosen to Frame a new Charter?", **NOW THEREFORE:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE City of CAMERON, TEXAS:

1. That an election be held on the 5th day of April, 1955 within said City submitting to the qualified voters of the City of Cameron the question "Shall a Commission be chosen to Frame a new Charter?"; and, should a majority of said voters voting on said question have voted in the affirmative, that a Charter Commission of fifteen members be elected from the City at large. Said election shall be held at the City Hall, and B. J. Matocha is hereby appointed Presiding Judge of said election, and Geo. G. McGehee Judge, and Mrs. John Ryan and Mrs. R. W. Bennett, Clerks, and said Presiding Judge shall select such other Clerks as may be necessary to assist in holding said election.

2. That said election shall be held under the provisions of the Constitution and laws of the State of Texas, governing General Elections, and all persons qualified to vote in said City under the laws of this State regulating general elections shall be allowed to vote. The manner of holding said election shall be governed by said laws of the State of Texas governing General Elections.

3. That the form of ballot to be used in said election shall be substantially as follows:

"SHALL A COMMISSION BE CHOSEN TO FRAME A NEW CHARTER?"

ANSWER YES NO

FOR the following named persons of the City of Cameron to constitute a Charter Commission. (Vote for not more than FIFTEEN.)

1. Narvie Caperton .....
2. W. T. Hanes .....
3. John Henderson .....
4. Don Humble .....
5. W. E. Kuehl .....
6. August G. Kunz .....
7. Walter Lester .....
8. E. A. Perrin .....
9. Jack Prescott .....
10. John Schmidt .....
11. David Shapiro .....
12. Ada Margaret Smith .....
13. John A. Smith, Jr. .....
14. Henry Siebman .....
15. E. L. Wied .....

4. Those desiring to vote for the proposition, "Shall a Commission be chosen to Frame a new Charter?", shall strike out the word "NO"; and those desiring to vote against said proposition shall strike out the word "YES".

IN EITHER EVENT the voter shall then vote for a Charter Commission of not more than FIFTEEN members, to serve in case a majority of the voters voting at this election have voted in the affirmative. The above named have been selected by the City Council as a Charter Commission, and should the voter desire to vote against any or all of said above named persons, he may do so by scratching the name of such person, or persons, and writing on the line opposite such scratched name, the name of the person for whom he wishes to vote: PROVIDED that a failure to so name a Charter Commission shall not invalidate the voter's vote on the question, "Shall a Commission be chosen to Frame a new Charter?".

5. That should a majority of the qualified voters voting at said election vote in the affirmative as to the question, "Shall a Commission be chosen to frame a new Charter?", then, after the Commission has completed its work and submitted the new Charter, a second election shall be held at the time designated by said Charter Commission, in conformity with law, to determine whether the new Charter shall be adopted.

6. That a copy of this ordinance signed by the Mayor of the City of Cameron, and attested by the City Secretary, shall serve as a proper notice of the election to be held as herein ordered, on the 5th day of April, 1955. The Mayor is authorized and directed to cause notice of said election to be posted at the City Hall, and at two other public places, in the said City of Cameron, for at least thirty (30) full days prior to the date of election; and he is further authorized and directed to have said Notice of Election published in some newspaper of general circulation published in said City, which said notice shall be published each week for four weeks, the date of the first publication to be not less than thirty (30) full days prior to the date of the election.

7. The fact that the present charter of the City of Cameron is deemed by a considerable number of the citizens thereof, inadequate to meet the present goverentmental demands of the City, and the importance of the inauguration of changes in the basic laws and management of the City, constitute an imperative public necessity for the suspension of the rules requiring ordinances to be read at three different meetings; and the taking effect immediately of this ordinance; and such rules are hereby suspended, and it is ordained that this ordinance shall take effect immediately after its passage and approval by the Mayor.

OFFERED BY:
Alderman Gene F. Blake

PASSED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, by a vote of 5 Ayes and No Noes, at a called meeting held on the 16th day of February, A. D. 1955, and APPROVED on the same day.

O. B. HORSTMANN
Mayor, City of Cameron, Tex.

ATTEST:
Neomi Needham
City Secretary, City of Cameron, Texas

46-4tc.

RESOLUTION AND ORDER OF ELECTION

WHEREAS, the Ordinances and Laws of the City of Cameron and State of Texas require the holding of a regular annual election of officers of the City of Cameron, Texas for the two years beginning with the first Tuesday of April, A. D. 1955:

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, THAT:

1. An annual election shall be held in the said City of Cameron on the 5th day of April, 1955, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit:

THREE ALDERMEN of the City of Cameron (to succeed Aldermen J. C. Andres, Gene F. Blake and Robert Weems, whose terms of office expire on the first Tuesday of the month of April, 1955) to hold office for the two year term ending on first Tuesday in April, 1957; and it is hereby so ordered.

2. Said election shall be held at the City Hall in the City of Cameron on the said 5th day of April, 1955, and the following named and designated electors of the City of Cameron, are hereby appointed managers of said election (and of all other elections which may be held in said City of Cameron during the year 1955), to-wit:

B. J. Matocha, Presiding Judge,
Geo. G. McGehee, Judge,
Mrs. John Ryan, Clerk,
Mrs. R. W. Bennett, Clerk, and such other judges and clerks as may be appointed by said presiding judge to assist in holding said election, in accordance with the laws and ordinances governing in such cases. The manner of holding said election shall be governed by the relevant statutes of the State of Texas and ordinances of the City of Cameron, governing elections.

A copy of this Resolution And Order of Election, signed by the Mayor of the City of Cameron, shall serve as a proper notice of said election: and the Mayor is hereby directed to cause notice of said election to be posted at the door of the City Hall of Cameron, a public place in the City of Cameron, and to be printed in the official newspaper of said City, for at least thirty days prior to the date of said election.

OFFERED BY ALDERMAN
Roy Griffith

PASSED BY UNANIMOUS VOTE of all Aldermen at a called meeting of the City Council of the City of Cameron on Wednesday, the 16th day of February, 1955, the same being the third Wednesday in said month; AND APPROVED on the 16th day of February, 1955 by

O. B. Horstmann
Mayor, City of Cameron, Texas.

ATTEST:
Neomi Needham
City Secretary, City of Cameron, Texas.

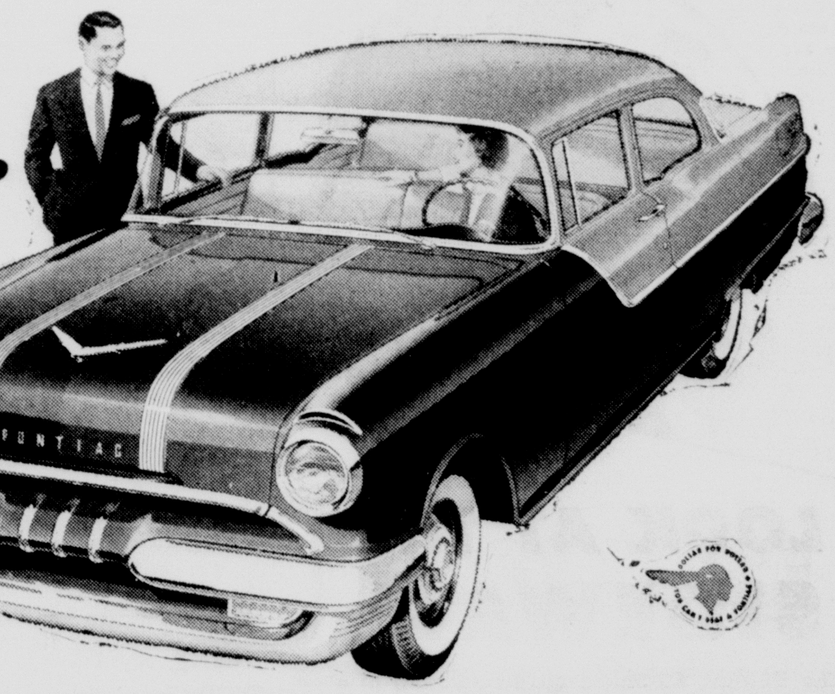
Look high and low...



1. You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars or stripped economy models of higher-priced makes!

2. Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8.

Biggest car at its price (122" and 124" wheelbases) • Most powerful car at its price (180 horsepower) • Only car at any price with distinctive Vogue Two-Tone Styling and the riding and driving ease of the torsion-free, Shock-proof Chassis.

The most enthusiastic Pontiac owners are those who have taken this advice. They've looked the field over from top to bottom—and here's what they learned: Pontiac is way up there with costly cars in wheelbase, roominess and riding ease. It's big and comfortable, yet handles with expensive sports car nimbleness. The exciting dash and compelling drive of the Strato-Streak V-8 produce the richest thrills in motoring. And Pontiac is America's most distinctive car in styling as in action.

Come in for the facts about this "all-time" value leader and our generous appraisal of your present car! Find out how little it takes to switch to modern motoring.

and you'll go Pontiac!

Health Units February Program

The Tuberculosis Chest X-ray Survey headlined the activities of the Health Unit in February. The Milam Co. Tuberculosis Association was also involved in the preparations, especially publicity, for the visit February 21 - 28. As a result of the intensive publicity and preparations all records were broken in Milam County this year. 883 X-rays were done in Thorndale this year against a previous high of 847 set in 1953, 1525 in Rockdale as compared to a previous high of 1521 set in 1953, and 3071 in Cameron compared to a previous high of 2996 set in 1951. The total for the county was 5479 as compared to 5392 in 1953.

This increase was made despite the fact that time spent in the County was cut drastically down to 5½ days of actual X-ray time. Since an average of almost 1000 X-rays were made during each 9 hour day it is felt that in order to increase the number of X-rays in future years that more time should be given to Milam County. Unless the State Health Department receives an increased appropriation during this legislative session insufficient numbers of personnel and X-ray units will be available in the future to meet the increased demands for this service. The personnel of the Health Unit and other organizations that had a hand in this survey are very pleased with the record-breaking numbers of people that turned out for X-rays.

Details of the Dental Health Puppet Show schedule are being worked out at present.

Preliminary plans are being made for vaccinating first and second grade children against poliomyelitis, if the Salk vaccine is announced to be effective in April.

One tuberculosis case was hospitalized in February, but two more are still on the waiting list as of the end of February.

Communicable disease cases for the month of February were as follows: Diphtheria 1, Gonorrhea 6, Measles 9, Pertussis (whooping cough) 3, Streptococcocal throat and other infections 49, Tuberculosis 2, Influenza 58, Mumps 21, Chickenpox 29, and Pneumonia 3.

Regular routine inspections of food and other establishments were made during the month of February. A number of schools and school cafeterias were visited in the interest of Foodhandlers school being conducted in Cameron and Rockdale.

Two Foodhandlers Schools were conducted in Cameron and Rockdale the first two weeks of February, sponsored by the Texas State Department of Health and the Local Health Unit. These school were well attended and a great deal of interest was noted. Some 173 people were registered. Of this number 148 earned certificates by attending the required number of classes. 54 owners and managers registered and 48 of these received certificates. 75 different types of establishments were represented including: Restaurants, Fountains, Sandwich Shops, Cafeterias, School Cafeterias, Taverns, Bakersy, Groceries and Meat Markets, Locker Plants, Laundrys, Schools, Barbeque Grills and Housewives. Subjects taught included, General Sanitation, Communicable Diseases, Foodhandling, Personal Hygiene and others. Classes were conducted by C. B. Breedlove, Division of Public Health Education, State Health Department assisted by D. S. Wimberly, Sanitarian.

All nuisance complaints brought to the attention of this office were investigated promptly.

Visitors for the month:

lic Health Education, Texas State Department of Health, Austin.

Fred Miller, V. D. Investigator, Texas State Department of Health, Austin.

Mariano Medina, TB X-ray Technician, Texas State Department of Health, Austin.

C. B. Breedlove, Division of Public Health Education, Texas State Department of Health, Austin.

Fort Hood Soldier Charged With D. W. I.

Aggerivated assult and D W I charges were filed Saturday morning against Otha W. Hollman of Alabama, who is stationed at Fort Hood. He was tried and convicted on both charges.

Hollman was apprehended Friday after assulting Mrs. Leona Harding of Temple in downtown Cameron. He was picked up by Patrolman John Blansit and held in County Jail.

Mrs. Harding was taken to a local hospital for treatment but her condition was not serious, Milam County Sheriff Carl Black said.

The fight arose after the couple had an argument and it was reported that Hollman struck the woman several times.

Herbert Sims On Tachen Ship

Herbert Sims, radarman third class, USN, son of Mr. and Mrs. Ervin E. Sims of 602 E. Second st., Cameron, Texas, returned to Sasebo, Japan aboard the fleet oiler USS Chemung, following 18 days of furnishing logistic support to the 7th Fleet in the Tachen evacuation area.

The Chemung was refueling ship for the ships of fast carrier Task Force 77 in day and night replenishments.

The Chemung was flagship of the logistic support commander.

Six Candidates For Alderman

Final day for filing for City Alderman is past, with six names registered with the Mayor for the April ticket. This promises to be the most competitive vote in many years, since only three positions are open for the coming term.

Those filed are encumbents Robert Weems and Gene Blake, Alfred Ondrej, Grady Stidham, Clifford Thompson and A. N. Green.

Reverend Baker Of Waco Speaks To Kiwanis Club

Since Kiwanis members held their business meeting Tuesday the Thursday luncheon meeting in the Milam Coffee Shop was social.

Several visitors were present. Local guests were John Duke, Lewis McKee and Lincoln Mondrik.

Visitiors from the Waco club were D. E. Wilks, F. E. Koppala, Joe Caperton, Bill Cheanor, Alvin Reverend Baker, James Robinson, Alener, Charles Meelor and Steve Bruek.

Reverend Baker delivered the address, with his topic on improving and ever-increasing of your natural talents. He stated that in the Bible the men that made use of their talents and increased them, while those that buried their talents were repimanded.

High School Students Education Topic Of Humble TV Program

Distributive education of high school students will be featured next week on The Humble Company's TV program, Texas in Review.

One hundred and twenty-six Texas high schools offer distributive education which consists of a training program in the retail, wholesale and service selling fields The films were taken in Houston and Ft. Worth.

From other sections of Texas there will be films of 15 members of the Stillman family that founded Brownsville visiting the city to present paintings of the founders; and from Waco there will be pictures of the Norwegian Ambassador, Mr. W. Morgenstierne, visiting flying cadets from Norway being trained at Conally Air Force Base.

Monday (March 14) Texas in Review can be seen on KTRK TV, Houston, 7:00 p.m.; KRLD TV, Dallas, 7:30 p. m.; WOAI-TV,

On Tuesday (March 15) the program appears on KTBC-TV, Austin, 8:30 p.m.; KCEN-TV, Temple, 8:30 p.m.; and KANG TV, Waco, 7:30 p.m.

Filing Joint Or Seperate Income Returns

F. J. Schultz, local representative of the Internal Revenue Director's Office, gives the following informajoint or separate returns of income. If you were a married person on December 31, 1954, you are considered married for the entire year. If you were divorced or legally separated on or before December 31, the entire year. If your wife or husband died during the year, you are considered married for the entire year.

If husband and wife have separate income, they may file sepa- 1954, you are considered single for rate returns or a joint return. A separate return accounts for the exemption, income, and deductions of only one person. If married persons living in community property states such as Texas file separate returns, each must report half of any community income. A joint re- turn must include all the exemptions, income, and deductions of both husband and wife. A husband and wife may file a joint return too. Make clean cuts, flat or flush with the main limb or trunk. Stubs left by improper cutting may cause rotting of the heart wood. Cut surfaces sometimes need to be treated by painting to hasten sealing and prevent bacteria from entering.

Most trees make oils which cover small cuts. Generally, horticulturists advise putting nothing at all on a small cut — 2 inches or less in diameter. For large limbs there are pruning compounds. Orange shellac is one compound which may be used and which can be found most everywhere.

Wilson Produce Purchasers of Fairmont Foods

It was announced today that Wilson Produce Co., Inc., purchased the Fairmont Food Company, and all of its real estate and business on March 3, taking over operation of the business March 4.

Bassel Wilson, owner of Wilson Produce, stated that they will continue operations under the name of Wilson Produce, retaining his former place of business also.

The Fairmont Foods, established in Cameron in 1935, has operated continuously since that time, constantly enlarging. The business now consists of a Feed Store, Produce House, Grainery and Corn Sheller. Mr. Wilson reported that he plans to add a feed grinding mill, molasses feed mixing mill and will continue to buy all kinds of grains, eggs, poultry, cream, hides, pecans seeds fertilizers and feed.

The same staff of employees will be retained, with deliveries handled.

D. W. Wilks and Frank Colford represented Fairmont and Wilson, of Wilson Produce, represented his firm in the transaction.

Alfred W. Mathis Participates In Special Army Test

Cpl. Alfred W. Mathis, son of Mrs Gussie Mathis, Route 1, Cameron, Texas, recently participated in a special Army test exercise at Fort Hood, Texas.

Purpose of the exercise was to test combat command experimental formations organized by the 1st Armored Division to adapt to the latest concepts of atomic - age ground warfare.

Corporal Mathis, a rifleman in Company A of the 25th Armored Infantry Battalion, entered the Army in April 1953. He attended Yoe High School.

S. S. Representative Here March 15

The regular visit of the Social Security Representative to Cameron, Texas, will be Tuesday, March 15, 1955. You are invited to contact this representative at the Department of Public Welfare at 1:00 p. m.

This community service is offered by the Austin office of the Social Security Administration for the convenience of residents of this area.

Local Girl Vies For CGA Office At TSCW

Miss Mary Hensley, sophomore student at Texas State College for Women, is one of four candidates for secretary of the College Government Association for 1955-56.

Elections are scheduled for March 10. Miss Hensley is the daughter of the Mr. and Mrs. Roy C. Hensley, Rt. 1, Cameron. She is a sophomore home economics major and president of the Sophomore Class. Her memberships include Radio Guild, Baptist Student Union and she has participated in Class Stunts two years.

The College Government Association is the governing body of the college.

Now Is The Time To Prune Trees

Pruning often stimulates tree growth — especially winter pruning. If pruning is done now, spring growth soon will hide cuts. Plan carefully and prune moderately. Severe pruning or "de-horning" can permanently deform and injure trees.

One of the first considerations is the health of the tree. Dead and diseased limbs, injured limbs or limbs that rub against each other should be removed.

Pruning should make the place more comfortable, convenient, safe and attractive. Trees can be shaped to improve their appearance. Low handing limbs can be pruned off so that the lawn will be open and look more spacious.

Good tools are important for a good job. A pruning saw and pruning shears are necessary. Pole pruners and pole saws may be needed to reach high into a tree to remove diseased or injured limbs or to nip back high branches to make a tree form a dense shade.

Pruning techniques are important

Know Beef Cuts – It Pays Says Mrs. Alice Hughes

A knowledge of beef grades and cuts will help the meat shopper get the most for her money. Grades make the difference. These are affected by age, quality and degree of fatness of the animal.

There are muscles of varying tenderness in any section of a beef. For example — a cut from the round can be divided into three different cuts of tenderness — the top round, the sirloin tip and the bottom round.

A good suggestion is to cut one-half to 1 inch round steak from one of the better grades of beef. Ask the butcher to divide it into the three sections. Pan broil the top round; Swiss steak the sirloin tip, and slowly cook the bottom round in barbecue sauce, closely covered, for about 30 to 40 minutes or until tender.

Other less tender cuts of beef are just as versatile as the round.

Herman Yezak To Ge Secrest Guest

Herman Yezak, State Representative from Bremond, will be the guest of Senator Jarrard Secrest, Saturday evening at 5:45 over

Cpl. John Meyer Receives Discharge From U. S. Army

Cpl. John R. Meyer, son of Mr. and Mrs. J. W. Meyer of Buckholts arrived home March 2, after 18 months tour of duty overseas stationed in England.

Cpl. Mayer landed in New York aboard the USNS Gen. Callan, February 28, and was sent to Camp Chaffie, Arkansas where he received his discharge after two years service in the US Army. His assignment was in Operations and Intellegence Section of an Anti-Aircraft Artillery Unit near Reading, approximately 65 miles of London where he spent most of his weekend leaves visiting points of interest including the Tate ART Gallery, Houses of Parliment, West-

Cpl. Meyer landed in New York bassy. The Wax Museum and Buckminister Abby, The American Embingham Palace, where on one occasion he saw the Queen Mother, Queen Elizabeth, and the Duke of Edinberg. Other cities he visited was Cambridge, Oxford, Bristol and in Nottingham where he found special interest on a visit to Sherwood Forrest, where he saw the Great Oak, (Robinhood's hide-out) and Nottingham castle where there stands a statue of the famed Robin Hood.

Prior to his shipping orders Stateside he went on an eleven day tour by plane to Copenhagen, Denmark Frankfort, Germany and London.

Mr. Meyer is at home with his parents, and has no immediate plans other than visits to relatives in Dallas and Lake Charles, La.

VISITS IN HAWAII

Mrs. Ruth Weldon, daughter of Mr. and Mrs. R. F. Kaatz of Rogers, Texas left San Antonio recently for Honolulu, Hawaii, to be with her husband Master Sergeant Aubrey R. Weldon, who is on a 16 day R. R. leave in Hawaii. After 16 days Sergeant Weldon will return to the Marshall Islands for six months duty and Mrs. Weldon will return to Austin where she is employed.

Mr. and Mrs. John Florida, Jr., and family visited his family in Houston over the weekend.

Tempting Treat or Company Dessert

Delectable fudge squares—quick, easy, and so good!

These Southern Fudge Squares will win applause from youngsters, the men folk and fussy aunts alike. Made thick or thin, they're equally delicious —vary the topping to suit your fancy!

SOUTHERN FUDGE SQUARES

⅓ cup shortening
⅓ cup sugar
½ cup KARO Syrup, Blue Label
1 egg, beaten
1 teaspoon vanilla
1 square unsweetened chocolate, melted
1 cup sifted all-purpose flour
½ teaspoon salt
1 teaspoon baking soda
¾ cup sour milk

Cream shortening, gradually add sugar and beat until light and fluffy. Add KARO, beat well. Add egg, vanilla and melted chocolate. Add sifted dry ingredients alternately with sour milk, stirring just until smooth after each addition. Pour into well-greased oblong pan (12 x 7 x 2 inches) or 2 8-inch square pans. Bake in moderate oven (375° F.) about 25 minutes. When cool, spread with your favorite chocolate butter-cream or fudge frosting and cut into 2-inch squares. Makes about 18 squares.

Note: For thick cake-like squares, bake in 8-inch square cake pan in moderate oven (350° F.) about 45 minutes.

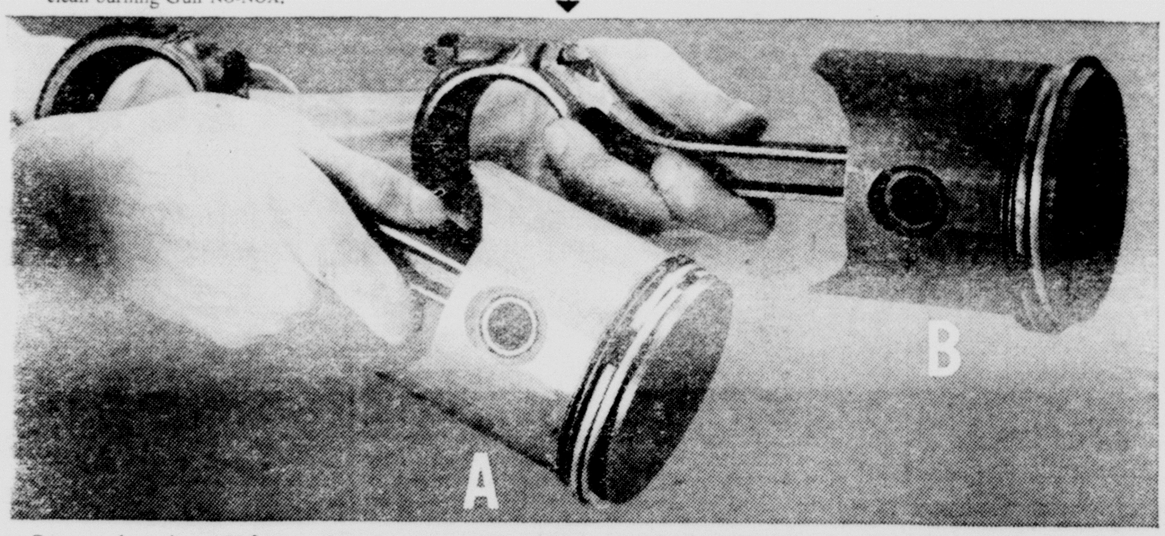
This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new, clean-burning Gulf NO-NOX.

1955 No-Nox burns clean like this...

and protects your engine like this!



Compare clean piston **"A"** from engine using new NO-NOX with piston **"B"** from engine using the "dirty-burning tail-end" of gasoline that Gulf refines out. Both pistons shown here, from Gulf test engines, ran the same number of hours under the same conditions.

what's more... No gasoline-no, not a single one-has higher octane than

New 1955 GULF NO-NOX

This is GULF'S PLEDGE to the motoring public

- **We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.**
- **It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.**
- **This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Oil Corporation.**

Always remember: *Octane alone is not enough.* Only a gasoline that *burns* clean can make its full octane power really work for you. New NO-NOX is *super-refined* to burn clean for lasting power. Fill up and *feel* the difference in:

- **More complete protection** than with so-called "miracle-additive" gasolines.
- **Extra gas mileage** in short-trip, stop-and-go driving motorists do most.
- **Stall-proof smoothness** . . . instant starts . . . fast, fuel-saving warm-up.
- **No knock, no pre-ignition**—even in today's high-compression engines.

It's super-refined...to burn clean!
The '55 gasoline for all high-compression engines

Alcoa To Complete Construction Of New Ingot Casting Facilities

ROCKDALE — Aluminum Company of America announced today that production of customers extrusion ingot will begin sometime this month at the Rockdale Works.

Construction of the new ingot casting facilities is scheduled to be completed next week, and trial operations will get underway immediately, according to J. D. Harper, Rockdale Works Manager.

The finished product from the ingot casting facilities is actually the first step in the fabricating of extruded aluminum products such as window sash, architectural trim aircraft structural parts, truck body shapes, and many other products.

Until now, all aluminum produced at the Rockdale Works has been cast directly into "pigs". The metal in this form is high purity aluminum and must be remelted and alloyed at fabricating plants before being processed into finished products.

The availability of extrusion ingot will mean that aluminum which leaves Rockdale may go directly into the production of finished and semi-finished end use products.

Most of the new ingot equipment was installed at the time of the construction of the smelting plant. Until recently, the market for this type of ingot has not justified placing these facilities in operation.

The new casting equipment consists of two units, each with furnaces and molds. Molten aluminum direct from the pots is placed in the holding furnaces where it is collected and alloyed to customer specifications. The metal is then poured directly into the molds. The new extrusion ingot will be cylindrical in shape and weigh about 160 pounds.

The new equipment is located in the Metal Service Department and operation of the units will be under the direct supervision of Marlin Boyer, Metal Room Superintendent H. C. Dameron, Jr. will be ingot metallurgist.

Hung Jury In Edelman-Eagle Suit Reported

After trying to meet with a verdict for appriximately 12 hours the jury in the Opal Edelman suit against the Eagle Construction Co. Et. el for $275,000 failed in their efforts with the foreman reporting to Judge O. D. Graham that the jury was hung.

Although the case will be re-set no date has yet been given.

Mrs. Edelman's suit is based on the death of her husband in an accident while working for the construction company at the Alcoa plant in 1953.

Three Schools List MOD Collections

Totals from three area schools were listed this week in the March of Dimes Drive that was completed recently.

Branchville with $239.10, Clarkson with $37.56 and Minerva with $46.37 were listed among the total, $9656.06, that was collected in Milam County, Hinton H. Pruett stated.

Telephone Operators Have Service Award Party Thursday

Telephone Operators held a Service Anniversary party in the Southwestern Bell Telephone office lounge Thursday afternoon.

H. D. Schodde, District Traffic Supervisor out of Austin, presented a 30 year pin to Mrs. Julia Halpain and a 35 year pin to Mrs. Hilda Andre during the celebration.

In his short talk he stated that the company appreciated the work of the two ladies and they were valued employees.

Their service work was all in the Cameron office.

Schodde was accompanied by Tom Monroe, Jr. staff supervisor of Austin.

Refreshments of sandwiches, cake, candy, pickles potato chips, and punch were served.

Recently four other telephone employees were presented attendance awards and certificates. They were Dana Allen, employed December 1, 1952, was presented a 24 month award for no absences during that period; Mrs. Mary J. Barmore, employed June 16, 1923, also received the 24 month award; Mrs. Lavada Jenness, employed by the company April 23, 1944, received the 24 month award and Mrs. Rosa Lee McFarland, employed October 1952, received a 12 month award.

New Social Security Laws Create More Generous System

The new amendments to the social security law create a bigger and more generous system. Retirement payments are increased, as family payments when a worker dies, and retired people are permitted to earn more without losing their monthly benefit payments. In addition to these changes, millions more have come under the system for the first time beginning with January 1955. Those who are covered under the law for the first time can find answers to most of their questions in leaflets and booklets which may be obtained at the Austin District Office of the Social Security Administration.

Beginning with January 1, 1955, it is compulsory for farm operators to be covered under social security just as is any other self-employed business man; and they will, therefore, pay their social security tax along with their income tax for 1955 by April 15, 1956. If the farmer does not have a social security account number, he should secure one from the Austin social security district office before his first tax return is due. If he needs tax information, he should contact the Austin District Office of the Internal Revenue.

Many more farm workers are covered under social security beginning with January 1955. Now the new law brings into the sys-

George Perry Tells of Harper, Alcoa In Post

John Dickson Harper has "the knack of getting along with Texas, day in, day out, month in, month out, year after year." George Sessions Perry, well-known Rockdale writer claims in his article in the March 5 issue of the Saturday Evening Post.

In his story, complete with pictures, Perry tells of the beginning of the Alcoa Plant in the little town of Freeze-out.

He pointed out that Harper's problems in making the town of Rocktem any farm worker who receives at least $100 cash wages from a farm employer in one year. No specific number of days will have to be worked. Farm hands who do not have a social security account number card should secure one right away. Farm employers and employees should check with the Austin Office to learn what his rights and responsibilities are.

dale and the new plant ready for the industry were many, including rebuilding the town to the liking of the people, but able to accommocate the thousands that would pour in.

He introduced Harper's wife Samma, and their three children, Rogers, 14 years old, John Dickson eleven years of age, and Thomas or "Stinky", aged five.

He told of the plant being an industrial architect's happy dream. Adding, "Most factories are an accumulation of appendages — something tacked on here, something tacked on there, as the need arises. This plant, conceived as a whole bold venture and built all at once with a single purpose, had beyond question cogency, coherrence and, to many eyes, a kind of virile functional beauty. Standing, as it does, beyond its broad, blue lake, it amounted to a kind of industrial Taj Mahal."

He told how ordinary Texans would really rather grow cattle or cotton that just stand brewing batches of aluminum but "The cow business went to hell three years ago, and there's so much too much cotton in our warehouses that it won't do to talk about."

Many insights into the life of John Harper, his family and the Alcoa Rockdale plant were told by Perry in his article, "How to Get Along With Texans".

HD Agent Tells Why It Pays To Eat Vegetables Daily

In grandmother's day there were sulphur and molasses, sassafras tea, and "store bought" tonic to tone up the blood each spring. Today this toning up is done the year around by including a variety of vegetables in the diet, Mrs. Alice Hughes, home demonstration agent reported.

Green vegetables are important in the diet, mainly because of their vitamin A and C content. The intensity of the vegetable's green color and the part of the plant from food value. In general, the greener which it comes are clues to its the vegetable, the richer it is in minerals and vitamins. The dark green leaves may carry several times as much of some nutrients as green stalks.

The fresher the green vegetables, the better. Flavor and crispness, and perhaps some food value too, are lost when vegetables wilt or are stored.

If vegetables must be held for two or three days before using, refrigerate them. Keep them moist in the vegetable crisper, covered container, or in a plastic bag. Be careful not to bruise leafy vegetables in storing. Store peas and beans in the pod, if possible, to keep them fresh.

For best quality cook green vegetables quickly. Use a cover on the pan to speed the process. Cook until the vegetable is tender but still slightly crisp. Long cooking makes the vegetables limp and changes color and flavor and usually causes a loss of food value.

Mrs. Marvin Beaty has returned to her home in Fort Worth after visiting relatives here and in San Antonio.

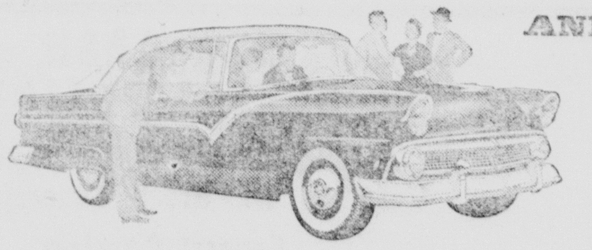
MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

Ford passenger-car sales to customers outnumbered those of any other make by thousands:*

AND IT'S EASY TO SEE WHY!



Ford is the leader in ride

Ford was first in its field to introduce Ball-Joint Front Suspension—the greatest advance in chassis design in 20 years. For '55, it's even better. Springs are set at an angle to smooth out even the tiniest bumps. It's the new Angle-Poised Ride.

Ford is the leader in styling

Motorists know that Ford has set the style trend in the industry for years. And now, with styling inspired by the fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power

Ford was first in its field (by 23 years) to provide the advantages of V-8 power. Since that time, Ford has built over 14,000,000 V-8 engines—*more than all other makers combined!* For 1955, Ford offers *two* new and mighty V-8's, as well as a most modern Six—all with the split-second response of Trigger-Torque power!

FORD IS THE LEADER IN ALL THE FEATURES THAT MAKE YOUR CAR WORTH MORE WHEN YOU BUY IT · WORTH MORE WHEN YOU SELL IT

FORD

POLIO —
pears in their communities.

"This program would not be another test but the first use of a newly-established preventive measure."

Under the direction of the State Health Department, Dr. Bryson has been conferring with school authorities and physicians who have pledged their full cooperation.

The polio vaccine will be furnished from a supply being purchased by the National Foundation with March of Dimes funds. It will be made available by the National Foundation without charge for the product to State Health Officers for use in the above groups, if licensed by the Federal Government. Supplies also will be distributed through usual channels at the same time.

The National Foundation has financed the development and production of the Salk vaccine. Contracts were made with manufacturers for a supply of vaccine costing $9,000,000 in March of Dimes funds. This enabled manufacturers to keep their production facilities in operation during the waiting period and be ready to go into full production as soon as the vaccine is licensed.

"Vaccine would be given by the Health Department this spring only to those eligible children whose parents sign forms requesting it," Dr. Bryson added. "It is a completely voluntary program. The forms will be distributed through the schools beginning March 28. We should like to know as soon as possible how many eligible children we must provide for, if the vaccination program is carried out. If the vaccine is not licensed, there will be no program."

Newest in outboards is big-power quiet, introduced by Johnson Motors in 10- and 25-horsepower models. The firm's engineers report that big motors of the type shown here have been silenced "even more effectively" than was Johnson's 5½, winner of last year's Citation of Merit of the National Noise Abatement Council. Suspension-drive, visible at front of tilted motor, absorbs boat vibration which caused the noise.

W. T. Hanes Speaks On Education Week

W. T. Hanes, superintendent of the Cameron Public Schools, appeared on the Bob Johnson KCEN-TV show, "Scrapbook" Monday afternoon, in connection with the beginning of Public School Week throughout the state.

His address was as follows:

TEXAS EDUCATION WEEK

This week marks the fifth annual observance of Texas Education week. Texans have always been fiercely proud of their heritage and of their accomplishments. Therefore, in every community in Texas this week, citizens are being invited and urged to visit their public schools and see Democracy at work on the local level. We have a National Education week each year which is observed throughout our nation in November.

But Texas has always prided itself on being INDEPENDENT THINKERS. Due to the fact that provision was made in the very first Texas Constitution for a system of Public Education. Texans believe that their educational problems can best be settled on the local level by local citizens.

Five years ago a group of lay citizens decided that since the very existence of a Democratic Government such as ours depends on the success of our public school system which attempts to offer free public education to every child, local citizens should become more interested in just what the public schools are doing. Therefore, The Texas Education week came into being.

The significant thing about Texas Education week is that it was begun by citizens who were not engaged in the schoolbusiness,which makes it really a grass roots affair. That is also the reason it has grown each year. Last year over 1,300,000 citizens in Texas visited in their public schools during Texas Education week.

With this kind of interest and enthusiasm on the part of patrons and citizens, no foreign "ism" of any sort can thrive for long in Texas public school classrooms.

Texans have traditionally believed in local and state control of their schools. Therefore, school laws were rewritten a few years ago to give us what we now know as the Gilmer-Aiken school laws. With the help which now comes from the state no community need have less than the best school opportunities for its boys and girls. Of course local problems must be solved by local people.

Someone has said that any community has the kind of school that it is entitled to have. Meaning of course that any community can have the kind of school it wants if the citizens will put aside personal prejudices and act solely on the problem of WHAT IS BEST FOR

This week — as you visit in your public schools and as you drive by them on your way to and from your places of work, may we urge you to pause and ask yourself this question — "What has the school house meant to civilization?

There is a world wide struggle going on today for the possession of men's minds. Atom bombs will ten to say that we must stay strong militarily — and we must fight if we have to, but I submit to you that the war for the minds of men will not be won on the battlefields of the world — but in the school rooms of the freedom loving people of the world — yes, in the hearts of men.

Therefore, may I say on behalf of the teachers of Texas and the boys and girls of Texas, we are all deeply grateful to those anonymous lay citizens who founded TEXAS EDUCATION WEEK

tract and Boozy Dukes on the north.

The second C. C. Calton well, completed last week, is said to be a particularly good one.

Another report has it that a drilling outfit from Tyler is putting down a test on the H. L. Patillo lease on Sandy Creek, with coring indicating about 17 foot of thick oil sand and quantity of gas. Topped oil sand about 830 feet. This property is about two to three miles north of O'Neal Lease.

At last report the Texas Gulf Sulphur Co. No. 1 Fee, wildcat near Milano, was drilling below 8,000 feet, still releasing little information. It is permitted 9,000 feet.

Athletic Financial Statement Shows Good Audience Participation

In a financial statement for the Yoe High Athletic Fund for 1954-55, issued by W. T. Hanes, superintendent, it was shown that the athletic department recorded an exceptionally good year with proceeds set at $1,713.61.

During the athletic season $8,645.82 was taken in from football contracts and gate receipts, showing good response to the games by large groups of spectators.

Various disbursments were itemized as follows: Officials, $399.20; Football Contracts, $410.; Athletic Equipment, $4,190.58; Cleaners, $287.30; Athletic Repair, $384.59; Hospital and Doctor Bills, $398.35; Scouting, $80.; Cafeteria, here and out of town, $310.; Jr. Chamber of Commerce, for purchase of train tickets to send Yoe High School Band to Killeen, $166.60; The Herald Publishing Co., $289.09; Miscellaneous, $16.50, making a total sum for disbursements, $6,932.21.

Total of the Bank Balance to date, as shown on the report, for the athletic department is $2,005.78.

Former Milam Man Selected Columbus' Outstanding Man

Herbert A. Schroeder, son of Mr. and Mrs. George L. Schroeder of Sharp and son-in-law of Mr. and Mrs. Jim Mitchin of Cameron, Texas was caught at a complete surprise when his name was called as the man of the year at their annual banquet. This was the first time such an award had been made.

HERBERT A. SCHROEDER

Mr. Schroeder started teaching in the Columbus Public Schools in 1941 and is noted through out the state as an outstanding educator, civic worker and above all a church worker.

Mr. Schroeder stated, "It was not only through my own efforts that I received this award but through the citizens of Columbus, who worked for the good of our community.

If I am successful, remember that somewhere, sometime, someone gave me a lift or an idea that started in the right direction."

He continued, "One of the most valuable things any man can learn is the art of using the knowledge and experience of others".

Corporals Tamez, Woodruff In Ft. Hood Exercise

Corporals Reuben G. Tamez and Harvey L. Woodruff of Cameron, Texas, recently participated in a special Army test exercise at Fort Hood, Texas.

Purpose of the exercise was to test combat command experiment formations organized by the 1st Armored Division to adapt to the latest concepts of atomic-age ground warfare.

Tamez, son of Ysidoro V. Tamez, 306 S. Austin st., is a mortarman in the 634th Infantry Battalion's Company A. A 1951 graduate of Yoe High School, he entered the Army in April 1953.

Woodruff, son of Mr. and Mrs. Bickett Woodruff, Route 2, is a gunner in the 27th Armored Field Artillery Battalion's Battery B. He entered the Army in March 1953.

New MH-B Gym To Be Constructed

Plans to begin construction of the new Mary Hardin-Baylor, Belton, gymnasium within the next 90 days were made Friday by the building committee headed by C. R. Clements of Killeen.

Tom Stanley, representative of Watt C. Hedrick, architect and engineering firm of Fort Worth, met with the committee and said that he will submit a tentative plan within a month. The firm's civil engineers will also work up an over-all plan for the college campus, including location of roadways and proposed buildings, Mr. Stanley said.

"After plans are approved by the building committee, it will take about two months to let the contract and for the contractor to begin construction," Dr. Arthur Tyson, president of the college, said.

The $200,000 physical education building will be known as the Goodman building, a gift to the college of $120,000 made last fall by M. T. Goodman, Port Isabel real estate broker. The building will be named in honor of his parents.

Cameron Churches To Take Census March 27; Also Plan Annual Easter Union Services

At a monthly meeting at the Baptist Church on Monday, March 7, the Cameron Ministerial Alliance made plans for observing the annual Union Good Friday service. It was decided to continue holding these services at the First Methodist Church, because of the central location. The colored churches will also observe the Good Friday service by meeting at the African Methodist Episcopal church.

Perhaps the outstanding item at this meeting was the decision to undertake a complete Religious census of the community. Since the house numbering has been completed and the streets are all named it was felt that the next step was for the churches to proceed with a complete census. The tentative date has been set for Sunday, March 27, with workers from all the participating churches meeting at the First Baptist church for lunch.

They will accomplish this task in short order if everyone will cooperate.

Plan now to make Sunday, March 27, "stay at home Sunday" so those making the census will be able to get the desired information.

Conrad Jekel, Sr. Milam Resident Dies Monday

Conrad Jekel, Sr., 81 years of age, died in the Newton Memorial Hospital Monday morning at 8:30, following several months illness.

He was born in Europe on November 20, 1874, and came to the United States at the age of eight. Most of his life was spent in Milam County where he was a well-known farmer.

Mr. Jekel was a member of the Buckholts Czech-Moravian Church and the Sons of Herman Lodge.

Funeral services were scheduled at 2 p. m. Tuesday at the Chapel of Greens Funeral Home with Rev. H. E. Beseda, Czech-Moravian minister, officiating. Burial in Corinth Cemetery near Buckholts.

Survivors are his widow, four sons, Ed Jekel, Conrad Jekel, Jr., Frank Jekel and Will Jekel of Cameron; one daughter, Mrs. Annie Plachy of Cameron; 10 grand children; 11 great-grandchildren; three sisters, Miss Annie Jekel of Cameron, Mrs. Katie Brown of Austin and Mrs. Mary Specek of Cameron.

Oscar Contest In Full Swing At Milam Theatre

Have you picked the 1954 Academy Award Winners yet? If not you had better start turning in your ballots, Dean White, manager of the Milam Theatre, announced today.

The Oscar Award Contest which is now in progress at the Milam will continue until March 31 at 8 p. m. with ballots given at the box office upon request.

The person or persons correctly naming the six winners will be given a free six month pass to the show.

Gift Tax Return Deadline March 15

Mr. Schultz of the local office of the Internal Revenue Service reminded certain taxpayers today that the deadline for filing 1954 gift tax returns is March 15, 1955. Mr. Schultz stated that the number of gift tax returns received so far are considerably fewer than those received for pervious periods and this situation might indicate a misunderstanding of the time requirement for filing gift tax returns.

M. B. Henderson Class Has White Elephant Party

Members of the Mimmie B. Henderson Sunday School class of the First Baptist Church enjoyed a White Elephant Party at the home of Mrs. Dave Whitley at their last meeting.

Discarded novelties or unused items from the members home are gift wrapped and exchanged at the white elephant party, with suprises and laughs in every packages.

There were 11 members, one associate member and two visitors present.

Buckholts FFA To Sponsor Donkey Basketball Game Saturday Night

Sports fans have been promised a field day of hilarious entertainment at the Donkey Basketball Game in the Buckholts gymnasium Saturday evening, March 12.

Scheduled to start at 7 p. m. the first event will be a tangle between two teams, with members chosen from the following: Ernest Orsag, Floris Fuch, William Gilbert, Dr. R. M. Titsworth, C. Titsworth, the vocational agriculture teacher, Lester Harke, Lewis Dwald, Dudley Wall, Ernest Fuch and Raymond Ezzell.

Tickets will sell for 50 cents for adults and 25 cents for students, with tickets on sale by students and at the door. Proceeds will be used in the FFA Chapter fund, helping to defray expenses of the boys banquet to be held in the future and for their Encampment in May.

In donkey basketball rules, each player is provided with a donkey to ride and all plays must be made from the back of the donkey. To to ride and all plays must be made from the back of the donkey. To start the game the ball is tossed up at the center and the two centers stand on the floor and hold to the reins of their donkeys and jump up for the "tip-off."

When the ball is on the floor any player may dismount to get the ball but he must hold to the reins of this donkey while getting the ball and the first player to pick the ball up, or have firm possession of the ball, is entilted to get on his donkey without interference from another player. The player must be on the donkey to shoot at the basket or pass to another player and the defensive plays must also be made from the back of the donkey. There are no personal fouls and a player may take the ball away from another player or knock it out of his hands but both players must be mounted.

There are no "out-ofbounds" and as long as the ball stays inside the building it is still in play. If a player throws the ball from the floor that is a foul and the ball is given to the other team and if a player leaves his donkey to get the ball and attempt to put it in toplay, without holding the reins of his donkey that is a foul and the ball goes to the opponent.

Following a basket the ball is given to the other side. There are no "free shots" and in event of a tie score the game starts over at the center and the first team to score is the winner.
